Kylie Chan will be visiting Infinitas Friday 24th June at 2pm. Her new novel *Heaven to Wudang* is just out. Kylie has visited us before and drew quite a crowd. Come along to meet her and get books signed.

Shop closed on several days: The shop will be closed on Friday 3rd June and Saturday 4th June then again on Saturday 11th June and Monday 13th June. This includes the June long weekend and is due to family needs.

Kelley Armstrong has contracted to write a new *Omens and Shadows* trilogy.

Nebula Awards 2010 were announced 21-05-2011 in Washington DC. Best novel went to *All Clear* by Conny Willis. A full list of winners is at: <http://www.sfga.org/2011/05/nebula-award-winners-announced/>

Book Reviews

Feel welcome to submit a book review for us to publish here. If you have read a book and have an opinion on it share it with the other readers in our community. Also, in the shop we have several books for which we are seeking reviewers, and would exchange for a review.

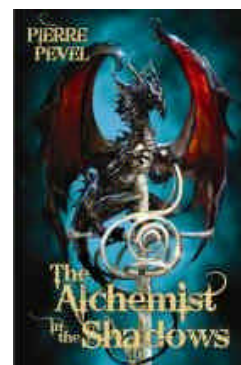

The Alchemist in the Shadows by Pierre Pevél, reviewed by Jonathan Dean

<http://www.infinitas.com.au/Product.php?bar=9780575084414>

The second book in this series, the Cardinal's Blades are back, and they're facing a major enemy - the Black Claw. After trying to take over France, failing, and retreating back into Spain, the Black Claw has targeted Cardinal Richelieu and they're willing to do anything it takes to get rid of him, by hook, crook, treachery, duplicity, murder or any other method which might work. They've sent in the Alchemist in the Shadows, the top agent in the Black Claw arsenal, with orders to destroy the cardinal by any means that come to hand.....

So when the Cardinal receives word from a beautiful Italian spy that she knows what the Black Claw and the Alchemist are planning, he wants to know more. Before she'll say anything, her price is that she has to be put under the protection of the Cardinal, so the Cardinal's Blades are sent to protect the lady, and hopefully get more information about the oncoming attack. Meanwhile, Captain la Fargue has to deal with the daughter he didn't know he had, labyrinthine French court politics, his own men and the secrets they're keeping, personal loyalties, treachery & betrayals, and above all, his master, Richelieu. Can he figure out what is happening in time to stop the Alchemist before it all goes wrong, and on a side note - what's the Queen's involvement have to do with all these?

Pevél has followed up the first book with another worthy rival for Dumas, giving a superbly detailed picture of French court politics of the period, combined with the influence of dragons in human and dragon forms. This makes for a longer term ambition than was normal for the time, where short term gains were the primary concern, but still manages to make the whole book fascinating in terms of giving the reader a picture of the two species' different perspectives. His gift for depicting the society, dress & behaviour of the period is also very impressive, as he has not tried to modernise the characters involved, but portrayed them as humans operating under a different social & moral code from today. This grabs the reader, and forces them into the world Pevél has created, as he paints a picture of the world as it was then, rather than observing from a distance, detached and uninvolved. I found myself mentally engrossed in the characters as I read, wanting to see what would happen next, and totally unable to guess what twists & turns of plot would happen as I read, which was a nice change. Definitely one for the fans of the original Three Musketeers, similar in style but with a whole new cast of players from the original events, which added a different dimension to the story.

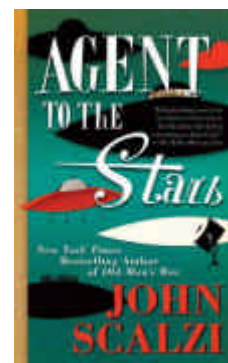

Agent To The Stars by John Scalzi, reviewed by Len Newland

<http://www.infinitas.com.au/Product.php?bar=9780765357007>

A science fiction novel of first human contact with space aliens. The title is slightly misleading in being similar to Poul Anderson's *Trader To The Stars*, which concerns a future interstellar merchant. Here we have a present day Hollywood agent for movie stars, suddenly made public relations agent for friendly but unpalatable aliens who wish to make contact with the human race without undue disturbance. This is the third novel I've read by author Scalzi, with enough enjoyment of all three to tempt me to forget about other authors until I've read the complete works by this one.

The novel is a pleasant light read with pleasant logical characters, including the aliens. Characters clear up their disputes in an adult manner (no guns or brawls). If not for a little coarse language, this novel would have been suitable for readers of just about all ages. A major strength and perhaps the real point of the novel is its questions of death, murder and suicide, which many real people refuse to face, including court judges. Here these items hold different meaning for the aliens, who actually are alien in something other than body style, their morals reflective of their bodies. Good stuff. Another well made point, typical of American authors in being stated more than once so readers get it, is that Hollywood matters more to the world than American politics, the latter copping a fair swipe in this novel.

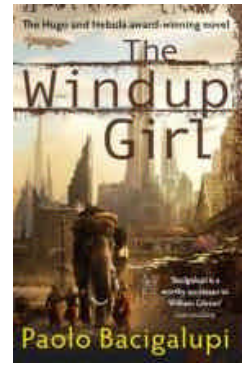

The title must have been confusing to the publisher because both cover blurb and frontispiece extract are given the prominent alternative title *First Contact*. Between these and the story content, I thought the aliens would have been better introduced in Chapter 1 than Chapter 2. I wouldn't think the English errors would bother the average reader. These concerns are minor – I couldn't not read the final chapters before going to bed. Five stars out of five for this novel.

***The Windup Girl* by Paolo Bacigalupi, reviewed by Len Newland**

<http://www.infinitas.com.au/Product.php?bar=9780356500539>

Two hundred years from now, genetic engineering corporations have flooded the world with non-reproducing foods, and diseases that attack natural foods and competitor's products. Result: the world is starving – except the Kingdom of Thailand, whose dreaded Environment Ministry ruthlessly destroys imported and infected foods, and guards a secret seed bank of disease resistant natural foods. AgriGen Corp agent Anderson is seeking the Thai seed bank, for research only (hah!). “Windup” (not stated whether the -i- is long or short) is the term for sterile genetically engineered animals, including humans used as soldier- and secretary-slaves. Windup girl Emiko, dumped in Thailand five years ago by her Japanese owner, has so far avoided being mulched by the Environment Ministry, but she certainly has the wind up.

This award winning novel demonstrates that science fiction authors don't have to go off-planet to find aliens. Author Bacigalupi has put considerable effort into differentiating his Thais, Chinese and Americans, and to a lesser extent his Japanese; his portrayal of the Kingdom and its social conditions is strong. The title is misleading: the story isn't about Emiko, but about the struggle of the Kingdom against external corporate greed combined with its internal power struggle between Pracha's Environment Ministry and Akkarat's Trade Ministry. Neither Pracha nor Akkarat is a point-of-view character; the struggle is told through several bit-player POV characters, all with their innermost thoughts. Anderson: will he crack the seed bank? Hock Seng: will he restore his former fortune? Emiko: will she escape to the colony of free windups? Jaidee: will he maintain the purity of the Environment Ministry ideal? Kanya: will she achieve revenge for the destruction of her childhood? To emphasise that the story isn't about any of these characters, the opening chapter features Anderson, the closing chapter Hock Seng, and the epilogue Emiko. I'd warn readers against emotional investment in Anderson or Jaidee: both die, Jaidee with the reader in his head. The novel's much detailed setting description makes for some slow reading, especially early: the middle of the book reaches only chapter 18 out of 50 plus epilogue. There are problems in plurals and tense. Overall, I'd give the novel two stars out of five for its story telling quality.

The strengths of this novel are its realistic story world of intersecting cultures and its allegory of the problem of balancing risk management against progress that we all face. Alternatively, you may view the book as an effective doomsday warning against allowing too much power to profit-hungry and heartless corporations. Either way, recommended reading.

***Prince of Thorns* by Mark Lawrence, reviewed by Jonathan Dean**

<http://www.infinitas.com.au/Product.php?bar=9780007423293>

Brutal, vicious, violent & uncaring, Jorg really is not a nice person. He was a young prince once, with a mother who loved him, and a little brother whom he adored. Then troops from an adjacent realm attacked them while they were travelling, and he was flung into the thorns alongside the road by one of his bodyguards, to try to save him. Impaled on them, and held in place as he bled nearly to death, he had no choice but to watch his mother brutalised & killed, and his brother butchered. Rescued afterwards, he has learnt that life is pain, and weakness has been bled out of him. Combine that with a total refusal to be ordered around by others, no longer fitting into the court he has grown up with, one day he rescues a group of bandits from his father's dungeons and leads them onto the road, where he takes over the band, leading it as they go from job to job. This lasts until he spots his old priest hanging in a gibbet by the road, when he is told that his father has a new bride, and she's pregnant. The priest had been sent out to verify that Jorg was dead, so there wouldn't be any problems with the line of succession. So Jorg decides to go pay a visit home, to see the old man, and to be a right bastard, because he can.

Set in a world where technology has been lost, and humanity has reverted to medieaval weaponry, Jorg is sent on a mission to eliminate a fortress holding one of his father's enemies. But there are other factors in this environment. Magicians play power games with the 100 Realms, using rulers as their puppets. Balances of power shift & change, lubricated by blood & death. There are still some of the old weapons, capable of killing whole cities, stored in fortresses & redoubts. Kings play the old games of power, thrones are lost & gained, while people try to survive around them. Written in a terse, restrained style, Lawrence has created a fascinating world, where the strong & the brutal survive, with no qualms or conscience. Definitely not a book for the squeamish or easily upset, but fascinating, appalling, unpleasant & thrilling, I enjoyed reading this & will be most interested to see if the author follows up with more in the same world.

Author Visit: Kylie Chan

Kylie Chan will be visiting Infinitas Friday 24th June at 2pm. Last time she visited us she attracted quite a crowd of fans. This time HarperCollins is funding her signing tour promoting her new book *Heaven to Wudang*. Come and meet her. Feel welcome to bring in her books to be signed, but we will have copies available. Author visits are fun events where readers can get an insight to the 'why' and 'what might yet' of plots and characters.

Information on the Infinitas Groups

New members always welcome at all the groups, if interested just come along. For current detailed information on these groups, visit our forums.

SF Discussion Group: At the February meeting a quorum of 4 decided to suspend meetings until September. Low attendance in part due to work, life, death, birth and illness has led to this. They have been meeting monthly for years in the shop. If interested in joining a new start for the group, enquire at the shop. <http://www.infinitas.com.au/ReadersGroup.php>

Urban Fantasy Book Club: Meets on the second Thursday of each month at 6:30pm. BYO wine and nibbles to share (not required). A title is usually selected to start the discussion.

Thursday 9th June 2011:

Death Most Definite by Trent Jamieson

Thursday 14th July 2011:

The Eyre Affair by Jasper Fforde

Review Group: The review group meets on the third Thursday of each month at 6.30pm. Two books are chosen by group members for each meeting with participants encouraged to have read at least one prior to the meeting. The discussion is generally serious and insightful, we usually share a bottle or 2 of wine with cheese – contributions gratefully drunk. All welcome. <http://www.infinitas.com.au/ReviewGroup.php>

Thursday 16th June 2011:

The Red Wolf Conspiracy by Robert V S Redick

The Name of the Wind by Patrick Rothfuss

Thursday 21st July 2011:

The Way of Kings by Brandon Sanderson

Writers' Group: This group is for people who are currently writing (or even trying to write) science fiction, fantasy and horror related stories and pieces. Meetings are the 3rd Saturday of most months - get on the email list to confirm meetings.

<http://www.infinitas.com.au/WritersGroup.php>

Board Games:

First Thursday of each month. Come play board games at the shop. If you prefer a particular game, bring it along and suggest it to the group. Contact the shop for details. Wizards of the Coast have donated Castle Ravenloft to play.

Dungeon & Dragons Delve Days: Play a short game of 4th edition D&D, one or two encounters only. Every second Saturday morning starting at 9:30am. BYO dice. This month the shop is closed 2 Saturdays so next game is Sat 18-06-2011.

After terrible atrocities by both sides, the series of skirmishes between Tierra and Uraba has spread and intensified, erupting into a full-blown crusade and irreparably dividing the known world. Now that the Uraban leader, Soldan-Shah Omra, has captured the ruined city of Ishalem, his construction teams discover a priceless ancient map that can guide brave explorers to the mysterious Key to Creation. Omra dispatches his adoptive son Saan to sail east across the uncharted Middlesea on a quest to find the Key. In Tierra, Captain Criston Vora sets out to find the fabled land of Terravita. But Criston cannot forget his previous voyage that ended in shipwreck and disaster, and the loss of his beloved wife Adrea, who - unbeknownst to him - fights to survive palace intrigues and constant threats against her life in far-off Uraba. For Adrea is now the wife of the soldan-shah - the sworn enemy of Tierra . . .

Key to Creation (Terra Incognita 03) TP \$32.99 www.infinitas.com.au/Product.php?bar=9781841496610

The Good and the Ghastly HC \$49.95 www.infinitas.com.au/Product.php?bar=9781416575443

It's the thirty-fourth century and the nuclear apocalypse has come and gone. Civilization has rebuilt itself, and the results are eerily similar to the early part of the twenty-first century. But there are a few notable differences. Visa owns everything. Deer are the most common domesticated animal. And misinterpretations of preapocalyptic history run amuck (e.g., Sarah Palin established the theory of natural selection). But what hasn't changed is the nature of good and evil. The Good and the Ghastly centers on two people linked through violence. Mobster Junior Alvarez has risen from street thug to criminal overlord. He will go to incredible lengths to get what he wants—and he desires to live however he pleases, without compromise. The intensity of his quest is matched only by that of the mother of one of Alvarez's first victims. She has gone vigilante and is hunting down mobsters. The two are prepared to go to the ends of the earth to manifest their wills—one good, one ghastly, both ruthless. A wild satire of our own society, The Good and the Ghastly is a visceral novel informed by Boice's unnerving sense of reality and pathology. It is also an honest, old-fashioned good-versus-evil story—with a twist of modern-day madness.

On the edge of a mystical border called the Limen, close to a beautiful canal-laced city, a humble candlemaker rescues a child, whom he raises as his apprentice. Years pass and the child's unusual talents are revealed, the gentle art of candlemaking slowly transforming into something far more sinister. Linger in the shadows, enemies watch and wait - a vengeful aristocrat, an exotic queen and the lethal creatures known only as the Morte Whisperers. They hunger after the child's ancient magic and will do anything to control it - betray, lie, manipulate. Even murder. A story of intrigue, deadly magic and a love so deep it transcends life itself.

Votive (Curse of the Bond Riders 02) TP \$27.95 www.infinitas.com.au/Product.php?bar=9781864719437

La Serenissima - a beautiful but deadly city where corrupt aristocrats rule and everything, including love, has a price. Tallow is anything but a simple candlemaker and when she has everything taken away from her - friends, family, hope - all she can do to survive is rely on the Maleovellis. Casting aside the safety of her disguise, she becomes cold-hearted Tarlo, female courtesan and the toast of those who, if they knew her secret, would destroy her. But the intrigues of the Serenissian nobility are nothing against the larger forces moving within the world. And Tallow's enemies have a hidden asset: the one thing they know she cannot possibly resist.

Naamah's Curse (Moirin's Quest 02) BPB \$22.99 www.infinitas.com.au/Product.php?bar=9780575093621

Moirin is alone and far from the land of her birth, with nothing but a few resources of her own to draw upon and few friends she can call upon, in what is about to become a nation of enemies. She has her natural ability with a bow, for survival and a facility for languages - and then there are the gifts of her gods: a small ability for foretelling, for concealment and to coax plants to grow. Alongside them all she has the gift of Naamah: the gift of desire. Yet these are small advantages against the challenges she will face - betrayal, treachery and indoctrination - and some of them may not prove to be advantages at all. There is a long, difficult journey ahead of her, in her search for Bao, the young Ch'in warrior who carries a piece of her soul as well as her heart and even harder decisions to make.

Naamah's Blessing HC \$49.95 www.infinitas.com.au/Product.php?bar=9780446198073

Returning to Terre d'Ange, Moirin finds the royal family broken. Wracked by unrelenting grief at the loss of his wife, Queen Jehanne, King Daniel is unable to rule. Prince Thierry, leading an expedition to explore the deadly jungles of Terra Nova, is halfway across the world. And three year old Desire's is a vision of her mother: tempestuous, intelligent, and fiery, but desperately lonely, and a vulnerable pawn in a game of shifting political allegiances. As tensions mount, King Daniel asks that Moirin become Desire's oath-sworn protector. Navigating the intricate political landscape of the Court proves a difficult challenge, and when dire news arrives from overseas, the spirit of Queen Jehanne visits Moirin in a dream and bids her undertake an impossible quest. Another specter from the past also haunts Moirin. Travelling with Thierry in the New World is Raphael de Merliot, her manipulative former lover. Years ago, Raphael forced her to help him summon fallen angels in the hopes of acquiring mystical gifts and knowledge. It was a disastrous effort that nearly killed them, and Moirin must finally bear the costs of those bitter mistakes.

Tolkien and the Great War BPB \$24.99 www.infinitas.com.au/Product.php?bar=9780007119530

'To be caught in youth by 1914 was no less hideous an experience than in 1939 ... by 1918 all but one of my close friends were dead.'

So J.R.R. Tolkien responded to critics who saw THE LORD OF THE RINGS as a reaction to the Second World War. Tolkien and the Great War tells for the first time the full story of how he embarked on the creation of Middle-earth in his youth as the world around him was plunged into catastrophe. This biography reveals the horror and heroism that he experienced as a signals officer in the Battle of the Somme and introduces the circle of friends who spurred his mythology to life. It shows how, after two of these brilliant young men were killed, Tolkien pursued the dream they had all shared by launching his epic of good and evil.

John Garth argues that the foundation of tragic experience in the First World War is the key to Middle-earth's enduring power. Tolkien used his mythic imagination not to escape from reality but to reflect and transform the cataclysm of his generation. While his contemporaries surrendered to disillusionment, he kept enchantment alive, reshaping an entire literary tradition into a form that resonates to this day.

This is the first substantially new biography of Tolkien since 1977, meticulously researched and distilled from his personal wartime papers and a multitude of other sources.

As a decorated soldier, young General Tao knows only one kind of honour -- to his people. But when his own king betrays him, he discovers that his sacrifices and successes may not have been for the good of the country at all. Fate -- and his enemies -- throw him together with Elisabeth, a red-haired beauty who has served as the royal tutor. However, Elisabeth's loyalties remain with her father's people -- the rebellious Kurel -- who worship the old ways, even harbouring the forbidden arks that brought the Kurel to this planet decades ago. When a threat greater than their peoples' war looms -- intent on destroying the world they both know -- the fierce warrior and the sensitive scholar must unite. Together, they must fight for their planet and for their forbidden love.

Hounded (Iron Druid Chronicles 01) APB \$22.99 www.infinitas.com.au/Product.php?bar=9780732292904

Atticus O'Sullivan, last of the Druids, lives peacefully in Arizona running an occult bookshop and shapeshifting in his spare time to hunt with his Irish wolfhound. His neighbours and customers think this handsome, tattooed Irishman is about twenty-one years old when, actually, it's twenty-one centuries. Atticus draws his power from the earth, possesses a sharp wit and wields an even sharper magical sword known as Fragarach, the Answerer.

Unfortunately, a very angry Celtic god wants the sword, and he's been after Atticus for centuries. Now the determined deity has tracked him down and Atticus will need all his powers -- plus a seductive goddess of death, his vampire and werewolf team of lawyers, a sexy bartender possessed by a Hindu witch, and some good, old-fashioned Irish luck -- to kick some Celtic arse and deliver himself from evil.

Atticus O'Sullivan, last of the Druids, doesn't care much for witches. Still, he's about to make nice with the local coven by signing a mutually beneficial nonaggression treaty—when suddenly the witch population in modern-day Tempe, Arizona, quadruples overnight. And the new girls are not just bad, they're badasses with a dark history on the German side of World War II.

With a fallen angel feasting on local high school students, a horde of Bacchantes blowing in from Vegas with their special brand of deadly decadence, and a dangerously sexy Celtic goddess of fire vying for his attention, Atticus is having trouble scheduling the witch hunt. But aided by his magical sword, his neighbor's rocket-propelled grenade launcher, and his vampire attorney, Atticus is ready to sweep the town and show the witchy women they picked the wrong Druid to hex.

A Robert A. Heinlein classic reissued with an all new celebrity forward by noted Heinlein biographer Bill Patterson and afterword penned by three-time award-winner for fan writing and science fiction scholar John Hertz.

It's a cross-time fight for freedom as a family retreats to a bomb shelter during a nuclear attack – only to emerge hundreds of years in the future, thrown forward in time by the blasts. There lifeboat ethics rule as they struggle to survive...until they're discovered by up-time humans, the survivors of the apocalypse. These survivors are of African descent. Down-time humans – in fact, all of the European-descended – are held guilty for the state into which the world has fallen and designated as automatic slaves. The only escape is to find a way back down-time, to change events sufficiently to make absolute certain this nightmare future never get a chance to happen in the first place!

Dune and Philosophy (Dune) TP \$29.99 www.infinitas.com.au/Product.php?bar=9780812697155

Frank Herbert's Dune is the biggest-selling science fiction story of all time; the original book and its numerous sequels have transported millions of readers into the alternate reality of the Diverse. Dune and Philosophy raises intriguing questions about the Diverse in ways that will be instantly meaningful to fans. Those well-known characters—Paul Atreides, Baron Harkonnen, Duncan Idaho, Stilgar, the Bene Gesserit witches—come alive again in this fearless philosophical probing of some of life's most basic questions.

Dune presents us with a vast world in which fanaticism is merciless and history is made by the interplay of ruthless conspiracies. Computers have long been outlawed, so that the abilities of human beings are developed to an almost supernatural level. The intergalactic empire controlled by a privileged aristocracy raises all the old questions of human interaction in a strange yet weirdly familiar setting.

Do secret conspiracies direct the future course of human political evolution? Can manipulation of the gene pool create a godlike individual? Are strife and bloodshed essential to progress? Can we know so much about the future that we lose the power to make a difference? Does reliance on valuable resources—such as "spice," oil, and water—place us at the mercy of those who can destroy those resources? When gholas are reconstructed from the cells of dead people and given those people's memories, is the ghola the dead person resurrected? Can the exploitation of religion for political ends be reduced to a technique?

Philosophers who are fans of Dune will trek through the desert of the Diverse seeing answers to these and other questions.

Naomi Novik***Tongues of Serpents (Temeraire 06)*** PB \$19.95 www.infinitas.com.au/Product.php?bar=9780345496904

A dazzling blend of military history, high-flying fantasy, and edge-of-your-seat adventure, Naomi Novik's Temeraire novels, set in an alternate Napoleonic era in which intelligent dragons have been harnessed as weapons of war, are more than just perennial bestsellers—they are a worldwide phenomenon. Now, in *Tongues of Serpents*, Naomi Novik is back, along with the dragon Temeraire and his rider and friend, Capt. Will Laurence.

Convicted of treason despite their heroic defense against Napoleon's invasion of England, Temeraire and Laurence—stripped of rank and standing—have been transported to the prison colony at New South Wales in distant Australia, where, it is hoped, they cannot further corrupt the British Aerial Corps with their dangerous notions of liberty for dragons. Temeraire and Laurence carry with them three dragon eggs intended to help establish a covert in the colony and destined to be handed over to such second-rate, undesirable officers as have been willing to accept so remote an assignment—including one former acquaintance, Captain Rankin, whose cruelty once cost a dragon its life.

Nor is this the greatest difficulty that confronts the exiled dragon and rider: Instead of leaving behind all the political entanglements and corruptions of the war, Laurence and Temeraire have instead sailed into a hornet's nest of fresh complications. For the colony at New South Wales has been thrown into turmoil after the overthrow of the military governor, one William Bligh—better known as Captain Bligh, late of HMS *Bounty*. Bligh wastes no time in attempting to enlist Temeraire and Laurence to restore him to office, while the upstart masters of the colony are equally determined that the new arrivals should not upset a balance of power precariously tipped in their favor.

Eager to escape this political quagmire, Laurence and Temeraire take on a mission to find a way through the forbidding Blue Mountains and into the interior of Australia. But when one of the dragon eggs is stolen from Temeraire, the surveying expedition becomes a desperate race to recover it in time—a race that leads to a shocking discovery and a dangerous new obstacle in the global war between Britain and Napoleon.

I have two choices. Carve Brude's name into Hell's bile-encrusted gates. Or lose my soul.

After an assassination attempt on Vayl, I find myself pulled into a tangled web that takes the gang to Romania. So how will I save a ghost, rescue a demon, and cheat the Great Taker out of a soul he's slaving for while defeating my nastiest foe yet so that Vayl can, at last, cherish a few precious years with his sons? With careful planning, major violence, and one (hopefully) final trip to Hell.

'He killed himself, Lieutenant. He was hanging there, just hanging there from the ceiling light in the living room. And his face . . . Oh God.' Death follows New York City cop Eve Dallas everywhere even on her honeymoon with Irish lover Roarke. When one of Roarke's employees is found dead, the post-mortem confirms suicide. An isolated case, or so Eve thinks. But more suicides follow strangers with nothing in common. The pathologist's report states each victim has an unexplained mark on their brain. Is this a genetic abnormality or a high-tech method of murder? With the body count rising, Eve must delve into the world of virtual reality to hunt down a twisted killer. A killer who preys on the minds of the innocent.

Ceremony in Death (Eve Dallas 05) BPB \$19.99 www.infinitas.com.au/Product.php?bar=9780749956905

'Meet me tomorrow, midnight. Aquarian Club. TELL NO ONE.' When New York cop Frank Wojinski is found murdered, death gets very personal for homicide detective, Eve Dallas and she'll stop at nothing to find Frank's killer. But then another victim is claimed: Frank's own granddaughter. As Eve delves deeper into the case, more mutilated corpses are discovered. Then a dead body is placed outside Eve's home. Drawn into the sinister world of a sexual satanic cult, Eve must put her life on the line to uncover a sadistic killer, before she becomes his latest victim.

Vengeance in Death (Eve Dallas 06) BPB \$19.99 www.infinitas.com.au/Product.php?bar=9780749956950

The smell grew riper, thicker. She began to breathe through her teeth. She'd smelled violent death too many times to mistake it. When New York homicide lieutenant Eve Dallas makes the gruesome discovery of a mutilated and dismembered body, the hunt is on to find an evil sadist. The murderer is close at hand; haunting Eve with cryptic riddles about his next crime riddles that always leave her with too little, too late. But when the next butchered body is found, murder gets personal. Eve may be newly married but the honeymoon is well and truly over. New husband Roarke's ugly past is catching up with him, and his secret is the last vital clue in the search for a revengeful killer.

Way of Kings Vol 2 (Stormlight Archive 01b) BPB \$14.99 www.infinitas.com.au/Product.php?bar=9780575102484

Brandon Sanderson, widely acclaimed for his work completing Robert Jordan's Wheel of Time saga, begins a grand cycle of his own, with *The Way of Kings*, Book One of the Stormlight Archive.

Roshar is a world of stone and storms. Uncanny tempests of incredible power sweep across the rocky terrain so frequently that they have shaped ecology and civilization alike. Animals hide in shells, trees pull in branches, and grass retracts into the soilless ground. Cities are built only where the topography offers shelter.

It has been centuries since the fall of the ten consecrated orders known as the Knights Radiant, but their Shardblades and Shardplate remain: mystical swords and suits of armor that transform ordinary men into near-invincible warriors. Men trade kingdoms for Shardblades. Wars were fought for them, and won by them.

One such war rages on a ruined landscape called the Shattered Plains. There, Kaladin, who traded his medical apprenticeship for a spear to protect his little brother, has been reduced to slavery. In a war that makes no sense, where ten armies fight separately against a single foe, he struggles to save his men and to fathom the leaders who consider them expendable.

Brightlord Dalinar Kholin commands one of those other armies. Like his brother, the late king, he is fascinated by an ancient text called *The Way of Kings*. Troubled by over-powering visions of ancient times and the Knights Radiant, he has begun to doubt his own sanity.

Across the ocean, an untried young woman named Shallan seeks to train under an eminent scholar and notorious heretic, Dalinar's niece, Jasnah. Though she genuinely loves learning, Shallan's motives are less than pure. As she plans a daring theft, her research for Jasnah hints at secrets of the Knights Radiant and the true cause of the war.

The result of over ten years of planning, writing, and world-building, *The Way of Kings* is but the opening movement of the Stormlight Archive, a bold masterpiece in the making.

Speak again the ancient oaths,

Life before death.

Strength before weakness.

Journey before Destination.

and return to men the Shards they once bore.

The Knights Radiant must stand again.

The Zombie Autopsies HC \$32.95 www.infinitas.com.au/Product.php?bar=9780593067871

It seems that renowned zombie expert Dr Stanley Blum kept a detailed record of the vital work that he and his crack medical team conducted in their desperate bid to find a cure for the epidemic that is devastating the world. This is his notebook and it doesn't make comfortable reading. Here he documents the unique biology of zombie organisms for the first time, Notes taken during his dissection of immobilized but still functioning zombies include graphic depictions of the internal workings of these once-humans, and reveal in grim detail the zombie anatomy and offer shocking insights into how these creatures function. This is not a book for the fainthearted. And what soon becomes tragically clear is that Blum and his staff were caught up in a race against time...for they too start to succumb to the zombie plague. We can only guess at the fate of Dr. Blum. But now that his notebook has been made available to the UN, the WHO and the wider world, we can only pray that Blum's scientific discoveries offer some hope for humankind on earth against the plague of the living dead...

The Army of the Regent Arrosh advances on the forces loyal to Saalshen, homeland of the serrin people, as the serrin s friends are in full retreat. Their only hope is to reach the city of Jahnd - the serrin word for Haven - across the River Ipshaal, the only human city in Saalshen itself. The Army of Lenayin marches with the Regent, but Sasha, sister of newly crowned King Koenyg, can no longer stomach the awful cause for which her people march. As tensions between herself and her brothers rise, Sasha s sister Sofy, wedded to the Regent, travels to the city of Tracato, to attempt to negotiate a peaceful transition of its wonderful heritage to her husband s rule. But there are forces beneath the Regent s banner that wish to see all serrin and serrin-influenced civilisation destroyed for good. While the serrin people fight for survival, families must be betrayed, enemies reconciled, nations persuaded and great armies fought, as Sasha's tale reaches its dramatic conclusion.

Alien invasion. Unlikely? As unlikely as Pearl Harbor? The extinction of the dinosaurs? A meteor strike that levels whole forests in Siberia? You get the drift. Some events produce such a massive setback to life, the Earth and to humanity that we must understand and prepare for them, even if the chances are low that they'll come about. In fact, it will be criminal and abrogation of our duty to future generations if we do not get ready! But where to begin?

Drs. Travis S. Taylor and Bob Boan have the answers. Both are experienced scientists, physicists with expertise in both defense and military signal intelligence and experience working with both the Department of Defense and NASA. These are intellectual heavyweights who have a clear idea of the possibilities of alien contact, the calculations of whether or not that contact will be friendly...and what to do if it's not.

An amazing journey through what we do – and do not – know about how to defend ourselves from space. Sure, that day may never come in our lifetimes – but everyone should have a copy of this lying around JUST IN CASE. Heck, better yet, why not commit a few of these scientists solutions to memory! Just in case.

Finch PB \$22.99 www.infinitas.com.au/Product.php?bar=9781848874787

In a deserted tenement in an occupied city, two dead bodies lie on a dusty floor as if they have fallen out of the air itself. One corpse is cut in half, the other is utterly unmarked. One is human, the other isn't.

The city of Ambergris is half ruined, rotten; its population controlled by narcotics, internment camps and acts of terror. But its new masters want this case closed, urgently. Detective John Finch has just one week to solve it or be sent to the camps.

With no ID for the victims, no clues, no leads and precious little hope, Finch's fate that hangs in the balance. But there is more to this case than first meets the eye. Enough to put Finch in the cross-hairs of every spy, rebel, informer and traitor in town.

Under the shadow of the eldrich tower the occupiers are raising above the city, Finch is about to come face to face with a series of mysteries that will change him and Ambergris forever. Why does one of the victims most resemble a man thought dead for 100 years, what is the murders' connection to an attempted genocide nearly 600 years ago, and just what the secret purpose of the occupier's tower?

They are in your house. They are in your car. They are in the skies...Now they're coming for you.

In the near future, at a moment no one will notice, all the dazzling technology that runs our world will unite and turn against us. Taking on the persona of a shy human boy, a childlike but massively powerful artificial intelligence known as Archos comes online and assumes control over the global network of machines that regulate everything from transportation to utilities, defense and communication. In the months leading up to this, sporadic glitches are noticed by a handful of unconnected humans – a single mother disconcerted by her daughter's menacing "smart" toys, a lonely Japanese bachelor who is victimized by his domestic robot companion, an isolated U.S. soldier who witnesses a 'pacification unit' go haywire – but most are unaware of the growing rebellion until it is too late.

When the Robot War ignites -- at a moment known later as Zero Hour -- humankind will be both decimated and, possibly, for the first time in history, united. Robocalypse is a brilliantly conceived action-filled epic, a terrifying story with heart-stopping implications for the real technology all around us...and an entertaining and engaging thriller unlike anything else written in years.

All Chloe Saunders wants is a life like any normal teenager - the chance to get through school, make friends, and maybe meet a boy. But when she starts seeing ghosts, she knows that life will never be normal again.

Soon ghosts are everywhere, demanding her attention. When Chloe finally breaks down, she's admitted to a group home for disturbed kids. At first Lyle House seems okay, but as she gets to know the other patients - charming Simon and his ominous, unsmiling brother Derek; obnoxious Tori; and Rae, who has a 'thing' for fire - Chloe begins to realise that something strange and sinister binds them all together, and it isn't your usual 'problem kid' behaviour.

And they're about to discover that Lyle House is not your usual group home, either . . .

Awakening (Darkest Powers 02) BPB \$18.99 www.infinitas.com.au/Product.php?bar=9781907410079

The second book in the stunning Darkest Powers trilogy, *The Awakening* is a powerful and gripping story from bestselling author Kelley Armstrong. Chloe Saunders used to be a normal teenage girl - or so she thought. Then she learned the shocking truth - she is a walking science experiment. Genetically altered at birth by a sinister group of scientists known as the Edison Group, Chloe is an aberration - a powerful necromancer who can see ghosts and even raise the dead, often with terrifying consequences. Even worse, her growing powers have made her a threat to the surviving members of the Edison Group, who have decided it's time to end their experiment - permanently . . .

Now Chloe is running for her life with three other supernatural teenagers - a charming sorcerer, a troubled werewolf and a temperamental young witch. Together they have a chance for freedom - but can Chloe trust her new friends

Reckoning (Darkest Powers 03) BPB \$18.99 www.infinitas.com.au/Product.php?bar=9781907410086

The explosive final part of the Darkest Powers trilogy, Kelley Armstrong's internationally bestselling YA series.

The nail-biting climax to Kelley Armstrong's bestselling Darkest Powers trilogy

Chloe Saunders is fifteen and would love to be normal. Unfortunately, Chloe happens to be a genetically engineered necromancer who can raise the dead without even trying. She and her equally gifted (or should that be 'cursed') friends are now running for their lives from the evil corporation that created them.

As if that's not enough, Chloe is struggling with her feelings for Simon, a sweet-tempered sorcerer, and his brother Derek, a not so sweet-tempered werewolf. And she has a horrible feeling she's leaning towards the werewolf...

Definitely not normal.

I remember forwards. I remember forwards, and forget backwards. My memories, bad, boring, or good, haven't happened yet. So I will remember standing in the fresh-cut grass with the black-clad figures surrounded by stone until I do it for real. I will remember the funeral until it happens - until someone dies. And after that, it will be forgotten. Here's the thing about me: I can see my future, but my past is blank. I see the future in flashes, like memories. I remember what I'll wear tomorrow, and a car crash that won't happen till this afternoon. But yesterday has evaporated from my mind - just like the boy I love. I can't see him in my future. I can't remember him from my past. But today, I love him. And I never want to forget how much.

Furnaces of Forge (*Land Book 02*) PB \$16.95 www.infinitas.com.au/Product.php?bar=9780955726859

The first book in The Land's Tale series, *Blue Fire and Ice*, told how the peoples of The Land joined together to discover the source of the devastating blue fire, deep in the ice fields of the High Mountains. *Furnaces of Forge* continues *The Land's Tale*. Now the terrifying fire burns in the Land once again.

This time it is the Myrmidots who bring the unquenchable flames from the High Mountains to the town of Forge. The great furnaces of Myrmidia blaze with the power of the stone but the blue fire also spreads a strange discontent which threatens to destroy not only the Myrmidots but their neighbours, the Muddles and the Beadles, as well. Crimson, the Muddle Fire Officer, tries to undo the damage of the blue fire but she is hunted by two mysterious strangers and their deadly spoorhounds. It takes all her courage, and the help of her friends, to stop the blue fire from destroying the Land. *Furnaces of Forge*, the second book in the exciting series *Thye Land's Tale*, is the sequel to *Blue Fire and Ice*.

Nightmare Movies: Horror on Screen Since the 1960s TP \$59.99 www.infinitas.com.au/Product.php?bar=9781408805039

Kim Newman

Now over twenty years old, the original edition of *Nightmare Movies* has retained its place as a true classic of cult film criticism. In this new edition, Kim Newman brings his seminal work completely up-to-date, both reassessing his earlier evaluations and adding a second part that assesses the last two decades of horror films with all the wit, intelligence and insight for which he is known. Since the publication of the first edition, horror has been on a gradual upswing, and taken a new and stronger hold over the film industry.

Newman negotiates his way through a vast back-catalogue of horror, charting the on-screen progress of our collective fears and bogeymen from the low budget slasher movies of the 60s, through to the slick releases of the 2000s, in a critical appraisal that doubles up as a genealogical study of contemporary horror and its forebears. Newman invokes the figures that fuel the ongoing demand for horror - the serial killer; the vampire; the werewolf; the zombie - and draws on his remarkable knowledge of the genre to give us a comprehensive overview of the modern myths that have shaped the imagination of multiple generations of cinema-goers.

Nightmare Movies is an invaluable companion that not only provides a newly updated history of the darker side of film but a truly entertaining guide with which to discover the less well-trodden paths of horror, and re-discover the classics with a newly instructed eye.

The all-new anti-viral handwash, Gemini, has been laced with Meme-Spawn: a sentient micro-organism which makes the user fluent in every language in the universe. However, manufacturer Zalnex made one crucial mistake. They didn't test Gemini on humans, who are seized by the violent urge to communicate but speak every language all at once -with a manic, garbled shriek -and pass on the virus by touch. The Doctor and Amy arrive on an Earth-bound cargo-ship loaded with Gemini, where a human crew are succumbing to the virus which has nasty second and third phases in store. When the Doctor and Amy are separated, they both know that it's only a matter of time before Amy is infected. With the ship locked on course, and no way of curing the sufferers, the Doctor is faced with a terrible decision: does he save Amy, or Earth?

Green Lantern: Rage of the Red Lanterns PB \$19.99 www.infinitas.com.au/Product.php?bar=9781401223021

Geoff Johns

Superstar writer Geoff Johns (GREEN LANTERN: SINESTRO CORPS WAR, THE FLASH, ACTION COMICS, JSA) unleashes a spectrum of adventure in this tale, which sees an all-new, all-evil Red Lantern Corps let loose on the galaxy!

As a prelude to the highly anticipated 2009 GREEN LANTERN storyline "The Blackest Night," this collection sets up the events that Geoff Johns has been leading to since he relaunched the Green Lantern franchise in 2006!

Plagued by an age-old prophecy from a prison planet on the far side of the galaxy, Green Lantern Hal Jordan searches for answers about the fate of his Green Lantern Corps. But when a primal being named Atrocitus emerges from that hell planet, he leads a Red Lantern Corps against Jordan and his brethren in a campaign to spread rage across the cosmos.

Green Lantern: Rebirth PB \$19.99 www.infinitas.com.au/Product.php?bar=9781401227555

Geoff Johns

The sold out 6-issue miniseries event of 2004-2005 — written by Geoff Johns (BLACKEST NIGHT, TEEN TITANS) with art by Ethan Van Sciver and Prentis Rollins — is available in this new edition, complete with the preview story from Wizard Magazine as well as a number of extras previously only available in ABSOLUTE GREEN LANTERN: REBIRTH!

Hal Jordan was considered the greatest Green Lantern of them all. But Jordan lost control, allowed himself to be corrupted and transformed into the villainous Parallax. Later, Jordan reappeared and made the ultimate sacrifice — a sacrifice that allowed him to become the Spectre, the Wrath of God.

After several years of activity on Earth, The Spectre became restless and sought a way to prove himself worthy of that noble reputation. See how a man born without fear and seeking to rebuild his life, puts cosmic forces into motion that will have repercussions not only on Earth but across the universe. This volume sets up the events of BLACKEST NIGHT and revitalized Green Lantern as one of the most important heroes of the DCU!

Green Lantern: Secret Origin PB \$19.99 www.infinitas.com.au/Product.php?bar=9781401230869

Geoff Johns

Before he became the Green Lantern...before he unwittingly brought about the downfall of the Green Lantern Corps...before his rebirth as the universe's most powerful protector...Hal Jordan of Earth was just a washed-up test pilot with no way to fly...until the dying alien Abin Sur granted him his power ring, the most powerful weapon in the universe--and his entry into a reality he could never have imagined.

Hal Jordan's metamorphosis from cocky test pilot to the role of the intergalactic guardian Green Lantern makes its way to the big screen in June 2011 from Warner Bros. Pictures, directed by Martin Campbell(CASINO ROYALE) and starring Ryan Reynolds and Blake Lively.

In preparation for his roll as Hal Jordan in "Green Lantern", Ryan Reynolds, who also contributes the introduction to this new edition, has pointed to Geoff Johns' GREEN LANTERN: SECRET ORIGIN as "his bible" for shaping his portrayal of Hal Jordan:

"Green Lantern encompasses a seemingly limitless supply of adventure."

This new edition includes several preview pages from Green Lantern: Rebirth and Green Lantern: The Sinestro Corps War.

Department of Temporal Investigations: Watching the Clock PB \$12.99 www.infinitas.com.au/Product.php?bar=9781451606256

Christopher L Bennett

There's likely no more of a thankless job in the Federation than temporal investigation. While starship explorers get to live the human adventure of traveling to other times and realities, it's up to the dedicated agents of the Federation Department of Temporal Investigations to deal with the consequences to the timestream that the rest of the Galaxy has to live with day by day. But when history as we know it could be wiped out at any moment by time warriors from the future, misused relics of ancient races, or accident-prone starships, only the most disciplined, obsessive, and unimaginative government employees have what it takes to face the existential uncertainty of it all on a daily basis . . . and still stay sane enough to complete their assignments.

That's where Agents Lucsly and Dulmur come in—stalwart and unflappable, these men are the Federation's unsung anchors in a chaotic universe. Together with their colleagues in the DTI—and with the help and sometimes hindrance of Starfleet's finest—they do what they can to keep the timestream, or at least the paperwork, as neat and orderly as they are. But when a series of escalating temporal incursions threatens to open a new front of the history-spanning Temporal Cold War in the twenty-fourth century, Agents Lucsly and Dulmur will need all their investigative skill and unbending determination to stop those who wish to rewrite the past for their own advantage, and to keep the present and the future from devolving into the kind of chaos they really, really hate.

The second novel set in the Old Republic era and based on the massively multiplayer online game Star Wars®: The Old Republic™ ramps up the action and brings readers face-to-face for the first time with a Sith warrior to rival the most sinister of the Order's Dark Lords—Darth Malgus, the mysterious, masked Sith of the wildly popular “Deceived” and “Hope” game trailers.

Malgus brought down the Jedi Temple on Coruscant in a brutal assault that shocked the galaxy. But if war crowned him the darkest of Sith heroes, peace would transform him into something far more heinous—something Malgus would never want to be, but cannot stop, any more than he can stop the rogue Jedi fast approaching.

Her name is Aryn Leneer—and the lone Knight that Malgus cut down in the fierce battle for the Jedi Temple was her Master. And now she's going to find out what happened to him, even if it means breaking every rule in the book.

Sean Williams

Tassaa Bareesh, a matriarch in the Hutt crime cartel, is holding an auction that's drawing attention from across the galaxy. Representatives of both the Republic and the Sith Empire are present, along with a Jedi Padawan sent to investigate, a disenfranchised trooper drummed out of the Republic's elite Blackstar Squad, and a mysterious Mandalorian with a private agenda. But the Republic's envoy is not what he seems, the Empire's delegate is a ruthless Sith apprentice, the Jedi Padawan is determined to do the right thing and terrified that he can't, the trooper hopes to redeem her reputation, and the Mandalorian is somehow managing to keep one step ahead of everyone.

None of these guests—invited or uninvited—have any intention of participating in the auction. Instead they plan to steal the prize, which is locked inside an impregnable vault: two burned chunks of an exploded star cruiser, one of which may hold the key to the wealth of an entire world.

But the truth about the treasure is dangerous and deadly. And in the end, Sith and Jedi, Republic and Empire, must do something they've never done before, something that all the agents of good and evil could never make them do: join together to stop a powerful threat that could destroy the galaxy.

Abyssal Plague: Under the Crimson Sun PB \$19.95 www.infinitas.com.au/Product.php?bar=9780786957972

Keith R A deCandido

Tharizdun, the Chanied God, has released the Voidharrow--a liquid crystal imbued with his will and all the chaos of the Abyss--into the universe, and with it comes a transformative engine of pestilence. When exposed to the Voidharrow, individuals look as though they've been stricken by disease as the Abyssal liquid twists and deforms them into chaotic demonlike creatures. Behold the Abyssal Plague!

When a trading caravan manned by grafters and con men comes across a dead man in the desert they open the door to an Abyssal realm long since destroyed. As the Voidharrow takes hold of one of their companions, he begins to morph into a beast like none they have ever seen.

When the stakes are raised in an attempt to defraud some of the more unsavory rulers of this cruel world, the Voidharrow comes to play a role in a move that could transform our heroes forever.

Brotherhood of the Griffon 03: The Spectral Blaze PB \$19.95 www.infinitas.com.au/Product.php?bar=9780786957989

Richard Lee Byers

Aoth and the Brotherhood of the Griffon have succeeded in rescuing Tchazzar, the lost king of Chessenta and a formidable red dragon, and are rewarded with a contract to aid in his war with a powerful dracolich. But the more Aoth sees of the war, the more suspicious he becomes that the Brotherhood may be just a pawn in a cutthroat draconic game that puts whole kingdoms at risk--a game played for stakes of gold and blood. And the more he sees the game play out, the more he realizes that he will have to become a player in this most dangerous of games if he wants the Realms to remain free.

Sage of Shadowdale 01: Elminster Must Die PB \$19.95 www.infinitas.com.au/Product.php?bar=9780786957996

Ed Greenwood

The long-anticipated return of Elminster, the most famous mage in the Forgotten Realms®--now in paperback!

Elminster, the most famous wizard in the Forgotten Realms, has foiled countless world-spanning threats, leaving a trail of powerful enemies behind him. Now that the Spellplague has robbed Elminster of much of his power, those enemies are coming out of the shadows, whetting their blades, and preparing to hunt him down.

Warhammer

Dwarfs BPB \$27 www.infinitas.com.au/Product.php?bar=9781849700481

Nick Kyme & Gav Thorpe

The dwarfs are a stoic and long-lived race. Their unbending will and pride serve them as fearsome warriors on the battlefield and the greatest craftsmen across the Old World. But cross them at your peril, as a dwarf grudge is never forgotten, a quest for revenge handed down from generation to generation until the debt is settled in blood...

In this action-packed omnibus, the bravery and resilience of the dwarfs is brought to life as they wage war against the twisted powers of Chaos, vile skaven ratmen, brutal greenskins and their oldest adversaries, the mysterious and powerful elves. From the ancient dwarf holds to the killing fields of the Empire, war will be waged in the name of Grungni, Grimnir and Valaya, and no foe shall forget the day they met these unbreakable warriors in battle. Contains the novels Grudgebearer, Oathbreaker and Honourkeeper.

Ulrika the Vampire 02: Bloodforged APB \$18 www.infinitas.com.au/Product.php?bar=9781849700139

Sandy Mitchell

Commissar Ciaphas Cain is a renowned and revered hero of the Imperium, a man who has faced and survived some of the vilest creatures the universe can throw at him. But when he is sent to a river-world, he must deal with a dangerous enemy, an enemy whose true identity remains unknown. As his vessel traverses the straits of the planet, Cain must uncover the face of this new foe so that he can understand and escape it. Caught in the enemy crossfire, the commissar has no place to run, and his nerve will be tested to the very limits.

Space Marines Battles: Battle of The Fang BPB \$20 www.infinitas.com.au/Product.php?bar=9781849700467

Chris Wraight

It is M32, a thousand years after the Horus Heresy. The Scouring is over and the Imperium at the height of its post-Crusade power. When Magnus the Red is tracked down to Gangava Prime, the Space Wolves hasten to engage the daemon primarch. Even as Great Wolf Harek Ironhelm closes on his ancient enemy, the Fang on the Space Wolves home world is besieged by a massive force of Thousand Sons. A desperate battle ensues as the skeleton forces of Wolf Lord Vaer Greylock attempt to hold back the attacking hosts before the last of his meagre defences gives in. Though a single Scout ship survives to summon Great Wolf Harek Ironhelm back to Fenris, none of the defenders truly realise the full scale the horror that awaits them, nor what the Battle for the Fang will cost them all.

Ultramarines: The Chapter's Due APB \$18 www.infinitas.com.au/Product.php?bar=9781844167142

Graham McNeill

War is unending in the life of a Space Marine. After defeating tau forces, Captain Uriel Ventris of the Ultramarines has returned to the Chapter's homeworld of Macragge, but there is little respite. The Ultramarines are thrust back into battle, and this time the enemy is the Chapter's greatest nemesis. The traitorous Iron Warriors, led by renegade Warsmith Honsou, have gathered together a massive and brutal warband. Their target is the realm of Ultramar. Their objective is total annihilation. It is a final showdown between legendary Space Marines, and Uriel Ventris must take on the might of Honsou if he is to save his Chapter's homeworld.

White Dwarf 378 June 2011 Magazine \$11.95 www.infinitas.com.au/Product.php?bar=5011921021994

White Dwarf is Games Workshop's full-colour monthly hobby magazine. Every issue is packed with exciting articles and features, including: hobby tutorials, stage-by-stage painting guides, a battle report and much more. Plus, you'll be able to see photos of all the latest Citadel miniatures and read exactly what the Studio designers, writers and artists had in mind for an army.

Inside this month's issue:

The Lords of Pain: The Haemonculi have been busy this month, churning out hideous creations from their dark oubliettes. We sent Simon Grant into these wretched pits to talk to Phil Kelly and Jes Goodwin about the darkest of the Dark Eldar.

Idols of the Desert Gods: Not satisfied with setting the legions of undeath upon the world last month, Mark Harrison and Robin Cruddace return to unleash more Tomb Kings.

Tomb King Tactica: The Tomb King himself, Robin Cruddace, rouses the armies of Nehekhara to war and offers up some words of wisdom about achieving victory with the Undead.

Knights of Titan: Inducted into the inner circle of Titan, Mat Ward risks excommunication by revealing the secrets of the Grey Knights' tactics.

Armies on Parade: Everyone takes great pride in showing off their miniatures, and we all like to look at great-looking armies. We take a look at the Armies on Parade.

Kinstrife: In the first of this month's battle reports, the Eldar and their dark kin turn on one another.

Peril at the Gap of Rohan: And in the second battle report, can the Fellowship escape Saruman's clutches as they try to break through the Gap of Rohan?

You'll also find full details of all the latest releases and news.

GURPS 4E

GURPS Low-Tech HC \$60 www.infinitas.com.au/Product.php?bar=9781556348020

GURPS Low-Tech covers the basic tools used by historical adventurers from the Stone Age to the Age of Sail – and still used by modern survivalists and post-apocalypse survivors when the high-tech toys fail.

Weapons and armor from antlers and rawhide to warhammers and heavy mail; adventure and travel gear from simple stone knives to early submarines; everyday items and tools of every trade. Low-Tech starts with the basics that suit any setting . . . and adds lots of culturally specialized inventions to support your campaign's particular flavor. For game masters, the discussions of past technologies – based on up-to-date historical and archaeological research – will be valuable no matter what system is used. For GURPS players, this book also covers the skills and traits that let adventurers make the best use of their equipment.

Whether the heroes are cavemen taking their first steps toward civilization, pirates on the Seven Seas, or anything in between, GURPS Low-Tech has the technology they need!

GURPS Low-Tech replaces GURPS Low-Tech for Third Edition, the TL4 parts of GURPS High-Tech for Third Edition, and the rules for equipment from many historical sourcebooks for Third Edition, from the TL0 tools in GURPS Dinosaurs to the TL4 gear in GURPS Swashbucklers.

Munchkin

Munchkin Game \$40 www.infinitas.com.au/Product.php?bar=837654320310

Go down in the dungeon. Kill everything you meet. Backstab your friends and steal their stuff. Grab the treasure and run.

Admit it. You love it.

Munchkin is the mega-hit card game about dungeon adventure . . . with none of that stupid roleplaying stuff. You and your friends compete to kill monsters and grab magic items. And what magic items! Don the Horny Helmet and the Boots of Butt-Kicking. Wield the Staff of Napalm . . . or maybe the Chainsaw of Bloody Dismemberment. Start by slaughtering the Potted Plant and the Drooling Slime, and work your way up to the Plutonium Dragon . . .

And it's illustrated (now in full color!) by John Kovalic!

Fast-playing and silly, Munchkin can reduce any roleplaying group to hysteria. And, while they're laughing, you can steal their stuff.

Twilight Imperium: Shattered Empire Expansion Game \$87 www.infinitas.com.au/Product.php?bar=9781589942554

At the end of empire, a faint wind rustled through Salai's robes. It was a calm, warm evening, and the bruised purple outline of the setting sun was still visible on the horizon. An evening made for calm contemplation and peace.

Verus came to his emperor's side for the last time. Together, the two stood in the trembling tower, silently witnessing a bloom of fires grow in their city like a garden of destruction.

The next wave of bombardments destroyed the imperial palace and everyone therein.

The Lazax empire has fallen - first into decay, and then, after a long twilight, into history. It is done and gone, but a new day is dawning, and your people have a new chance to mold the Twilight Imperium to the design of your race.

Twilight Imperium: Shattered Empire is an expansion for Twilight Imperium Third Edition. It enhances gameplay with a variety of new options and enables you to play with seven or eight players in an epic struggle for true galactic dominance!

Twilight Imperium: Shattered Empire includes:

Four never-before-seen races join the struggle for empire!

Two new colors of plastic units to allow for up to eight players in a single game.

Dozens of new system tiles, including new special systems such as Ion Storms, Hope's End, trade stations, and the Wormhole Nexus.

Brand new technologies for all eight players, including a new never-before-seen type of tech!

Eight new variant strategy cards for a completely different gameplay experience, and an additional variant Imperial strategy card for optional use with the core strategy set.

An even broader array of agendas and options in the form of new Action, Political, and Objective cards

Facilities, shock troops, artifacts, space mines, and more!

To protect your components, this expansion requires 6 packs of Mini American Board Game Sleeves (yellow).

Twilight Imperium: Shards of the Throne Expansion Game \$78 www.infinitas.com.au/Product.php?bar=9781616610531

The legacy of a ruined empire silently echoes across the stars, its presence still felt as a timeless entity. It is hope. It is a promise. It corrodes the dreams of a peaceful universe into visions of alluring conquest, propelling the entire galaxy into an endless struggle for power.

Shards of the Throne is an epic expansion for Twilight Imperium, adding new races, new units, and many new options to create an even more incredible power struggle in the far reaches of the galaxy.

Mercenaries, Mechanized Units, and all-new Flagship units give players more options for customizing their fleets and Ground Forces, while the Political Intrigue option will crank up the agendas and espionage of the political phase.

Also adding Race-Specific Technologies, alternate Strategy Cards, new System Tiles, Space Domains, and an all-new scenario that puts one player in control of the legendary Lazax Empire, Shards of the Throne creates a completely new way to wage your galactic conquests!

40 new plastic unit pieces in all 8 colors

3 new races: The Arborec, The Ghosts of Creuss, and The Nekro Virus

An all-new scenario in which one player controls the legendary Lazax Empire

New rules options including Mercenaries, Representatives, Mechanized Units, and Flagships

To protect your components, this expansion requires 7 packs of Mini American Board Game Sleeves (yellow).

Codex - Chaos Daemons 2008 TP \$55 www.infinitas.com.au/Product.php?bar=9781841548791

Daemons are the deadly servants of the four Great Powers of Chaos. Under the command of gigantic Greater Daemons these warlike fragments of divine will, are loosed upon the domains of mortals. Daemons are destruction incarnate; they exist only to tear civilisations asunder. Where the Daemons of Chaos walk, anarchy is loosed, reason collapses and carnage untold it visited upon the universe.

This 88-page Warhammer 40,000 Codex contains all the rules you need to field a force of Chaos Daemons, as well as detailed background information, bestiary, accompanying artwork and 'Eavy Metal showcase.

Chaos Space Marines: Abaddon The Despoiler 2011 Figurine \$39 www.infinitas.com.au/Product.php?bar=5011921023134

Death Guard Plague Marines 2011 Figurine \$72 www.infinitas.com.au/Product.php?bar=5011921024391

This boxed set contains seven Plague Marines. These models are finely detailed resin cast miniatures. They are supplied as 28 separate components (including six plastic backpacks) and come with seven 25mm Round Bases. These miniatures are supplied unpainted and require assembly.

Dark Eldar: Dark Eldar Razorwing Jetfighter Figurine \$69 www.infinitas.com.au/Product.php?bar=5011921022878

The Dark Eldar employ Razorwing Jetfighters to sow destruction and panic in the midst of the foe. No prey is fast enough to outpace these aggressive and consummately skilled fighter craft, for each of their pilots was once a member of the Reaver elite, and to them fighting at breakneck speed is second nature. To ensure the total destruction of their enemies, the Razorwing is equipped with a huge array of weapons with which they can rend, blast, shred and melt their targets. Most deadly of all is the monoscythe missile, engineered to explode at head-height in a horizontal wave of energy that will decapitate anyone nearby. This multi-part plastic kit contains one Dark Eldar Razorwing Jetfighter in 58 components. There are enough parts to equip it with either monoscythe missiles or necrotoxin missiles and a clear plastic canopy, giving you the option to paint the pilot and still be able to see him once the kit is fully assembled. This set is supplied with a clear plastic flying stand and a large oval base. This miniature is supplied unpainted and requires assembly.

Dark Eldar Scourges Figurine \$41 www.infinitas.com.au/Product.php?bar=5011921022885

A rich and daring Dark Eldar may surrender himself to the Haemonculi, requesting that his bones be hollowed out, that bands of new muscle be grafted onto his torso, and powerful wings and adrenaline dispensers be attached to his shoulders so that he is capable of true flight. The Kabal overlords pay handsomely for these veteran warriors to fight for them and as a result the Scourges will often equip themselves with the best weaponry and armour that they can find. It is rare for the Scourges to engage the enemy up close, preferring to lay down a withering hail of fire before flying away out of harm's reach.

This multi-part plastic set contains five Dark Eldar Scourges in 80 components, including plenty of weapon upgrades in the form of a shredder, splinter cannon, haywire blaster, heat lance, blaster and a dark lance. There are also several weapon options should you wish to upgrade one of the Scourges into a Solarite to lead the unit. The set includes five 25mm bases. These miniatures are supplied unpainted and require assembly.

Dark Eldar Venom Figurine \$50 www.infinitas.com.au/Product.php?bar=5011921022892

The Dark Eldar rely heavily on surprise and raw speed, and hence their skycraft are all fast and manoeuvrable. The most deft of all Commorite transports is the Venom, an arrow-swift skimmer that carries an elite cadre of warriors into battle to strike like a poisoned dart at the heart of the foe. Should even a single Venom penetrate the enemy defences it can be enough to sow the seeds of destruction, laying down supporting fire as its lethal cargo goes to work. For this reason, the Venom is the perfect transport vehicle for Archons, Succubi and their respective bodyguards.

This multi-part plastic kit contains one Dark Eldar Venom in 62 components. The kit includes two Wyches that represent a unit being transported into battle, a third Wych firing the on-board splinter cannon and a clear plastic canopy, giving you the option to paint the pilot and still be able to see him once the kit is fully assembled. It is also supplied with a ball and socket flying stand and a large flying base. This miniature is supplied unpainted and requires assembly.

Dark Eldar Talos Pain / Cronos Parasite Engine Figurine \$74 www.infinitas.com.au/Product.php?bar=5011921022984

The Talos Pain Engines are seen as the pinnacle of the Haemonculi's art. Creations of mad genius, each one is part organic and part mechanical, festooned with surgical apparatus and horrible-looking weapons of war. The bladed forelimbs of a Talos can scissor even an Ogryn into bloody chunks, while whirling blades and drills can eviscerate a man in seconds, disassembling him into his component parts, rending him down until nothing is left. For nearby Dark Eldar this is like watching an artist at work. For nearby foes it is a horrifying, gut-wrenching sight that can turn even the bravest warrior into a quivering wreck.

The Cronos Parasite Engine is a disturbing, bizarre creation and is used, much like the Talos, as a torture device and war machine. Through the strange blend of alchemy and science practiced by the Haemonculi covens, the Cronos drains away not the physical constituents of its victims, but their life essence. What remains of its prey when the vile creature has drunk its fill is little more than a grey shrivelled husk that quickly collapses into dust. An Archon will often keep a Cronos in his employ for when realspace raids take longer than expected as their mere presence can drive the Dark Eldar into a murderous frenzy that few defenders can hope to stop.

Dark Eldar Battleforce Figurine \$155 www.infinitas.com.au/Product.php?bar=5011921022991

The Dark Eldar Battleforce is the best way to start a new Dark Eldar army or build upon an existing one. This boxed set contains a squad of Kabalite Warriors, a squad of Wyches, a Raider and a unit of Reaver Jetbikes, all of which are ready and willing to tear their way into realspace, hack apart some unsuspecting victims and spirit the rest away to a lifetime of pain and suffering in the Arenas of Commorragh.

This multi-part plastic set contains 10 Dark Eldar Kabalite Warriors, 10 Dark Eldar Wyches, 3 Reaver Jetbikes and 1 Dark Eldar Raider, and includes 20 25mm bases, three small flying stands and one large flying stand. These miniatures are supplied unpainted and require assembly.

Dark Eldar Archon 2011 Figurine \$26 www.infinitas.com.au/Product.php?bar=5011921023431

This pack contains one Dark Eldar Archon - a finely detailed resin cast kit that comes in six components, including two different heads, and is supplied with a 25mm round base. This miniature is supplied unpainted and requires assembly.

Lelith Hesperax 2011 Figurine \$28 www.infinitas.com.au/Product.php?bar=5011921023448

This pack contains Lelith Hesperax - a finely detailed resin cast kit that comes in four components. The model is supplied with two different weapon options, a pair of wicked blades and an impaler, and a 25mm round base. This miniature is unpainted and requires assembly.

Urien Rakarth 2011 Figurine \$28 www.infinitas.com.au/Product.php?bar=5011921023455

This pack contains Urien Rakarth - a finely detailed resin cast kit that comes in eight components, and is supplied with a 25mm round base. This miniature is supplied unpainted and requires assembly.

Dark Eldar Succubus 2011 Figurine \$26 www.infinitas.com.au/Product.php?bar=5011921023462

This pack contains one Dark Eldar Succubus - a finely detailed resin cast kit that comes in five components, and is supplied with a 25mm round base. This miniature is supplied unpainted and requires assembly.

Dark Eldar Incubi 2011 Figurine \$63 www.infinitas.com.au/Product.php?bar=5011921024841

This boxed set contains five Dark Eldar Incubi. These models are finely detailed resin cast miniatures. They are supplied as 25 separate components and come with five 25mm Round Bases. These miniatures are supplied unpainted and require assembly.

Dark Eldar Mandrakes 2011 Figurine \$55 www.infinitas.com.au/Product.php?bar=5011921024858

This boxed set contains five Dark Eldar Mandrakes. These models are finely detailed resin cast miniatures. They are supplied as ten separate components and come with five 25mm Round Bases. These miniatures are supplied unpainted and require assembly.

Dark Eldar Wracks Figurine \$55 www.infinitas.com.au/Product.php?bar=5011921024995

Each Wrack is an abhorrent example of his master's surgical craftsmanship, an individual cut apart and refashioned into a walking instrument of torture. Masked and modified to better instil fear into those they encounter, they act as the hands of the Haemonculi in the world outside, and upon the field of battle they will defend their creator with their lives. Most Wracks will be surgically enhanced with heavy metal gauntlets, razor-sharp blades, needles, vials of poison and all manner of disturbing, exotic weapons with which to shred their foes. The more pain they cause, the better.

This box contains five Dark Eldar Wracks. These models are finely detailed resin cast miniatures. They are supplied as 22 separate components with five 25mm round bases. These miniatures are supplied unpainted and require assembly.

Dark Eldar Haemonculus Ancient Figurine \$28 www.infinitas.com.au/Product.php?bar=5011921025008

Ancient and horrific, the Haemonculi are deranged flesh-sculptors that dwell in the dark bowels of Commorragh. They are master torturers, connoisseurs of pain that revel in every nuance of the suffering they inflict. Unhurried and patient, they know that to grant a truly interesting death takes time. In battle, the sinister Haemonculi orchestrate the carnage around them with the passion of an artist. They use extreme and terrible wargear that can desiccate their foes in an instant.

This pack contains one Dark Eldar Haemonculus - a finely detailed resin cast kit that comes in four components and is supplied with a 25mm round base. This miniature is supplied unpainted and requires assembly.

Dark Eldar Grotesque Figurine \$33 www.infinitas.com.au/Product.php?bar=5011921025039

Towering and monstrous, Grotesques are insane creations that are employed when their Haemonculi masters have need to commit extreme physical violence. These massive meat-hulks shamble forlornly after their macabre keepers, but when given the command to kill, they transform into engines of destruction. Their art of war is messy, brutal and utterly chaotic as they hack, chop and slice everything nearby, reducing them to little more than chunks of butchered meat swimming in pools of blood.

This pack contains one Dark Eldar Grotesque - a finely detailed resin cast kit that comes in nine components, including two different heads, and is supplied with a 40mm round base. This miniature is supplied unpainted and requires assembly.

Eldar: Eldar Autarch with Power Weapon 2011 Figurine \$28 www.infinitas.com.au/Product.php?bar=5011921023257

This pack contains an Eldar Autarch with Power Weapon - a finely detailed resin cast kit that comes in six components (including variant weapon arms and backpacks) and is supplied with a 25mm round base. This miniature is supplied unpainted and requires assembly.

Avatar of Khaine 2011 Figurine \$61 www.infinitas.com.au/Product.php?bar=5011921023264

This pack contains The Avatar of Khaine - a finely detailed resin cast kit that comes in five components and is supplied with a 40mm round base. This miniature is supplied unpainted and requires assembly.

This boxed set contains one Eldar Farseer and three Eldar Warlocks. These models are finely detailed resin cast miniatures. They are supplied as seven separate components and come with four 25mm Round Bases. These miniatures are supplied unpainted and require assembly.

Codex - Eldar 06 TP \$55 www.infinitas.com.au/Product.php?bar=5011921909896

Lost in the vastness of space, Eldar craftworlds float in utter isolation, their homeworlds destroyed during the Fall, the catastrophic collapse of their civilisation. Highly advanced and deadly, they are physically similar to humans but possessing minds as alien as an Orks. Even as their race is slowly dying, their Farseers look upon the many strands of fate in hope of preventing the coming of Chaos and the death of their race. When an Eldar army goes to war it is at the behest of these revered seers, tasked with ensuring something is protected, moved or destroyed. They strike hard and without warning, showing neither mercy nor remorse, for without their actions the universe would surely be doomed.

This 84-page Warhammer 40,000 Codex contains all the rules you'll need to field an Eldar army, as well as detailed background information, bestiary, accompanying artwork and 'Eavy Metal showcase.

You must possess a copy of Warhammer 40,000 in order to use the contents of this book.

Codex: Orks 2008 TP \$55 www.infinitas.com.au/Product.php?bar=9781841548524

Orks are the most warlike aliens in the 41st millennium and their number is beyond counting. Should the Orks ever truly unify, they would crush all opposition and drown the civilised races in a tide of violence and gore. But the Ork's unquenchable thirst for violence sees them waging brutal wars against their own kind that only the strongest survive. When an exceptionally strong and ruthless Warboss arises and leads the Orks on the rampage, the galaxy trembles under the deafening echo of their mighty Waaagh!

Tomb Kings: Tomb Kings Liche High Priest Figurine \$26 www.infinitas.com.au/Product.php?bar=5011921023745

The Liche Priests are members of the Mortuary Cult, an ancient sect dedicated to the search for eternal life. While this dream may never be possible, the Liche Priests are able to summon a Tomb King and his army from their endless slumber beneath the great pyramids. While they may not command the army itself, the Liche Priests wield phenomenal magical power, as without them the entire army would crumble into dust.

This pack contains one Tomb Kings Liche Priest - a finely detailed resin cast kit that comes in two components, and is supplied with a 20mm square base. This miniature is supplied unpainted and requires assembly.

Tomb Kings Necrotect Figurine \$26 www.infinitas.com.au/Product.php?bar=5011921024049

Necrotects were the artisans of ancient Nehekhara. They were not common labourers, but architects of extraordinary skill whose ambitions far outpaced what could be achieved in a mortal lifespan. After years entombed, the Necrotects awoke to find their work in tatters, ruined by the ravages of time and invading armies. As a result, they have been driven to a blinding rage, their own goal to seek revenge upon those that would desecrate their work. In battle, these hate-fuelled warriors march alongside the Skeleton legions, imbuing nearby warriors with a portion of their wrath.

This pack contains one Tomb Kings Necrotect - a finely detailed resin cast kit that comes in two components, and is supplied with a 20mm square base. This miniature is supplied unpainted and requires assembly.

Tomb Kings Ushabti with Great Bows Figurine \$83 www.infinitas.com.au/Product.php?bar=5011921024520

The Ushabti are the guardian statues of the great pyramids of the Tomb Kings. In times of war, the Liche Priests imbue the Ushabti with tremendous power, working with the ancient Necrotects to give the statues unnatural life. When the Tomb Kings march to war, the Ushabti accompany them, striding silently through the sands, implacable in their advance. They carry huge bows that no man could ever pull, and which fire arrows the size of spears. Armour is scant protection against such a powerful weapon.

This boxed set contains three Tomb Kings Ushabti with Great Bows. These models are finely detailed resin cast miniatures. They are supplied as 12 separate components and come with three 40mm Square Bases. These miniatures are supplied unpainted and require assembly.

Tomb Kings Casket of Souls 2011 Figurine \$90 www.infinitas.com.au/Product.php?bar=5011921024537

This boxed set contains one Tomb Kings Casket of Souls - a finely detailed resin cast kit that comes in 15 components. This miniature is supplied unpainted and requires assembly.

Apophas Figurine \$28 www.infinitas.com.au/Product.php?bar=5011921025381

Prince Apophas was condemned to death after murdering the entire royal family of Numas. For such a heinous crime, he was entombed alive within a sarcophagus filled with flesh-eating scarabs. Upon his inevitable death, Apophas' soul was claimed by Usirian, god of the Underworld, to be tormented in perpetuity for his crimes. Apophas now roams the desert, searching for a soul to give to Usirian in exchange for his own. To this end, he will often appear in the midst of battle, tasked with the execution of an enemy hero. No matter how hard his enemies swipe and hack at his horrifying form, the scarabs that make up his body will flow over open wounds and re-grow lost limbs. Apophas is utterly implacable, and he will not stop until his victim lies dead by his hand.

This pack contains Prince Apophas - a finely detailed resin cast kit that comes in three components, and is supplied with a 20mm square base. This miniature is supplied unpainted and requires assembly - we recommend using Citadel Super Glue and Citadel Paints.

Tomb King with Great Weapon Figurine \$26 www.infinitas.com.au/Product.php?bar=5011921025398

Tomb Kings are the ancient, long-dead rulers of Nehekhara. Their mummified corpses have been awakened by magical incantations, and their bodies are now inhabited by their undying, vengeful spirits. They are a mocking imitation of life, transformed into hideous cadavers whose kingdoms have been plundered and lost. They are bitter and twisted, full of rage and ready to wage war for all eternity.

This pack contains one Tomb King with Great Weapon - a finely detailed resin cast kit that comes in three components, and is supplied with a 20mm square base. This miniature is supplied unpainted and requires assembly.

Tomb Kings Ushabti with Great Weapons Figurine \$83 www.infinitas.com.au/Product.php?bar=5011921025404

The Ushabti are the guardian statues of the great pyramids of the Tomb Kings. In times of war, the Liche Priests imbue the Ushabti with tremendous power, working with the ancient Necrotects to give the statues unnatural life. When the Tomb Kings march to war, the Ushabti accompany them, striding silently through the sands, implacable in their advance. They carry fearsome double-handed glaives that no man could ever hope to lift, lopping off limbs, heads and anything else that gets in their way.

This boxed set contains three Tomb Kings Ushabti with Great Weapons. These models are finely detailed resin cast miniatures. They are supplied as six separate components and come with three 40mm Square Bases. These miniatures are supplied unpainted and require assembly.

Vampire Lords: Vampire Lord 2011 Figurine \$26 www.infinitas.com.au/Product.php?bar=5011921023769

This pack contains one Vampire Lord - a finely detailed resin cast kit that comes in three components and is supplied with a 20mm square base. This miniature is unpainted and requires assembly.

Count Mannfred 2011 Figurine \$61 www.infinitas.com.au/Product.php?bar=5011921024247

This pack contains Count Mannfred - a finely detailed resin cast kit that comes in seven components and is supplied with a 25x50mm cavalry base. This miniature is supplied unpainted and requires assembly.

Vampire Counts Varghulf 2011 Figurine \$62 www.infinitas.com.au/Product.php?bar=5011921024780

puncturing armour and crushing bone. They use their immense claws to strip flesh from bones, the better to suck at the marrow of their prey.

This boxed set contains one Vampire Counts Varghulf - a finely detailed resin cast kit that comes in five components, and is supplied with a 50mm Square Base. This miniature is supplied unpainted and requires assembly.

Vampire Counts Blood Knights 2011 Figurine \$165 www.infinitas.com.au/Product.php?bar=5011921024797

This boxed set contains five Vampire Counts Blood Knights. These models are finely detailed resin cast miniatures. They are supplied as 33 separate components and come with five 25x50mm Cavalry Bases. These miniatures are supplied unpainted and require assembly.

Zombie Regiment Figurine \$55 www.infinitas.com.au/Product.php?bar=5011921969012

Zombies are corpses brought back from the dead by foul necromancy. Whilst slow and clumsy individually, their necromantic overlords drive them into battle in their thousands, hoping to exhaust the armies of the enemy. This boxed set contains 20 multi-part plastic Zombies, including options for a Standard Bearer and Musician.

Wood Elves: Wood Elf Highborn with Great Weapon 2011 Figurine \$26 www.infinitas.com.au/Product.php?bar=5011921023578
This pack contains one Wood Elf Highborn with Great Weapon - a finely detailed resin cast kit that comes in two parts, and is supplied with a 20mm square base. This miniature is supplied unpainted and requires assembly.

Wood Elf Tree Kin 2011 Figurine \$83 www.infinitas.com.au/Product.php?bar=5011921024704

This boxed set contains three Wood Elves Tree Kin. These models are finely detailed resin cast miniatures. They are supplied as 13 separate components and come with three 40mm Square Bases. These miniatures are supplied unpainted and require assembly.

Orion King in the Woods 2011 Figurine \$61 www.infinitas.com.au/Product.php?bar=5011921024711

This pack contains Orion, King in the Woods and two Hounds of the Hunt - a finely detailed resin cast kit that comes in ten components and is supplied with a 50mm square base and two 25x50mm cavalry bases. This miniature is supplied unpainted and requires assembly.

Wood Elf Treeman 2011 Figurine \$96 www.infinitas.com.au/Product.php?bar=5011921024728

This boxed set contains one Wood Elves Treeman - a finely detailed resin cast kit that comes in 11 components, and is supplied with a 50mm Square Base. This miniature is supplied unpainted and requires assembly.

Welcome to Eden. Population: Zero.

After she finds out her estranged father and sister are missing from their coastal nature reserve in Madagascar, TV zoologist Rebecca Kirkpatrick is on the first flight home. Underwater archaeologist Daniel Knox is searching for a sunken Chinese treasure ship when he hears of the disappearances and ventures to The Eden Reserve to investigate.

Still with a vendetta to settle, Georgian gangster dynasty the Nergadzes send a hitman to hunt down Knox and avenge them. As Knox chases answers he realises that the idyllic coral reef of Eden hides an ugly truth - someone is willing to kill and exploit people for a secret that will rewrite the history of the New World...

Lost River BPB \$24.99 www.infinitas.com.au/Product.php?bar=9780007382149

A May Bank Holiday in the Peak District is ruined by the tragic drowning of an eight-year-old girl in picturesque Dovedale. For Detective Constable Ben Cooper, a helpless witness to the tragedy, the incident is not only traumatic, but leads him to become involved in the tangled lives of the Neilds, the dead girl's family.

As he gets to know them, Cooper begins to suspect that one of them is harbouring a secret - a secret that the whole family might be willing to cover up.

Meanwhile, Detective Sergeant Diane Fry has a journey of her own to make - a journey back to her roots. As she finds herself drawn into an investigation of her own among the inner-city streets of Birmingham, Fry realises there is only one person she can rely on to provide the help she needs. But that man is Ben Cooper, and he's back in Derbyshire, where his suspicions are leading him towards a shocking discovery on the banks of another Peak District river.

A young man's suicide.

An elderly woman's murder.

A conspiracy stretching back decades.

Dr. Jay Handler's life is perfect: a wife and children he loves; a successful career. But a call comes that changes everything. His troubled nephew, Evan, has killed himself and Jay's brother is in despair.

Jay flies to California to help out, and is soon convinced Evan's death was no suicide. The police want him to leave the matter alone but he is determined to dig deeper. When his investigation takes him on a journey into his brother's shady past, Jay finds himself caught up in a world of dangerous secrets and ruthless killers ...

The new 'Benjamin January' novel from the best-selling author - Abishag Shaw is seeking vengeance for his brother's murder - and Benjamin January is seeking money after his bank crashes. Far beyond the frontier, in the depths of the Rocky Mountains, both are to be found at the great Rendezvous of the Mountain Men: a month-long orgy of cheap booze, shooting-matches, tall tales and cut-throat trading. But at the rendezvous, the discovery of a corpse opens the door to hints of a greater plot, of madness and wholesale murder . . .

The President's Daughter (Sean Dillon) APB \$19.99 www.infinitas.com.au/Product.php?bar=9780007304554

Twenty years ago a young war hero saved a life, and began a passionate affair. Now, that young war hero is President of the United States, and a souvenir from his past, a beautiful daughter that he never knew existed, surfaces as the first of many secrets to be kept from public knowledge.

But someone, somewhere, has uncovered the truth. The girl is seized by religious zealots, and unless the President complies with their demands, her execution is certain. Yet if he gives in, the Middle East will ignite in war.

He calls in the only men who can help: Sean Dillon and Blake Johnson, two notorious specialists, who will do whatever it takes to find the President's daughter. But with time running out, can they get to her before a desperate father takes a truly momentous decision, one the whole world will regret?

The Death of Dalziel (Dalziel and Pascoe) BPB \$24.99 www.infinitas.com.au/Product.php?bar=9780007313228

Can it be true? Has the Fat Man really sung?

Caught in a huge Semtex explosion, it seems the only thing preventing Superintendent Andy Dalziel from stepping through Death's door is his size - and sheer bloody-mindedness. While Andy lies in a coma, an injured DCI Pascoe works to uncover what he feels sure is a conspiracy, despite the security services believing the blast was an accident in which the terrorists blew themselves up.

Who, then, are the mysterious Knights Templar, bringing the war in Iraq back home with their gruesome acts of vengeance? What have they got to do with a best-selling novelist, a beautiful temptress and a hit-and run on Yorkshire CID's most inept officer? And, most importantly, will Dalziel ever wake up to hear the truth..?

In one terrible moment, paramedic Sophie Phillips' life is torn apart – her police officer husband, Chris, is shot on their doorstep and their ten-month-old son, Lachlan, is stolen from his bed. The police suspect Chris is involved with a number of armed hold-ups and that the attack is revenge for his desire to distance himself from the robberies, but Sophie believes the attack is much more personal – and the perpetrator far more dangerous...

While Chris is in hospital and the police, led by Detective Ella Marconi, are moving heaven and earth to find their colleague's child, Sophie's desperation to make amends compels her to search for Lachlan herself. She enlists her husband's partner, Angus Arendson, in her hunt for her son, but will the history they share prove harmful to Sophie's ability to complete her mission?

And could one dangerous decision cause Sophie to ultimately lose everything important in her life?

"All warfare is based on deception." According to General Malik, Pakistan is defined by three "A's": Allah, Army and America. Yet, for one brilliant and educated man, the war isn't based on religious extremism. It's personal. When his family's compound is bombed by a US military drone, Professor Omar swears revenge... The war of intelligence between Pakistan and the USA is raging. America is on the alert. Within this tense environment, it is unsurprising that Howard Egan's worst fears about his latest mission are confirmed, and he later disappears without a trace.

Sophie Marx – a US officer noted for her beauty and determination – is tasked with investigating the incident, but when several of Egan's "invisible" agents are murdered, it becomes clear that there are darker forces at work than first realized. Embarking on a game of cat and mouse in Los Angeles, Karachi, and the financial heart of London, Sophie and her team must try to plug the leak before it's too late. However, in a world

In the silent caves of deepest France, young archaeologist Julia Kerrigan unearths an ancient skull, with a hole bored through the forehead. After she reveals her discovery, her colleague is killed in suspicious circumstances.

Meanwhile, in the jungles of south-east Asia photographer Jake Thurby is offered a curious assignment by a beautiful and determined Cambodian lawyer who is investigating finds at the mysterious 2000-year-old Plain of Jars. Finds which the authorities have gone to great lengths to keep secret. No one knows why.

Back in England, an aged professor has been brutally and elaborately murdered. The murder remains unsolved.

As the archaeologist, lawyer and photographer pursue their separate quests to discover the truth, an underlying pattern begins to emerge, which connects these far-flung events in the most terrifying and unimaginable way. And it soon becomes clear that those who seek to unlock the compelling puzzle will be risking very much more than their lives.

The Omega Point PB \$19.95 www.infinitas.com.au/Product.php?bar=9780765363510

2012 came and went. The world prepared itself for impending disaster--and nothing happened. Or so it seemed.

But by 2020, energy from a supernova is disrupting the sun. Solar storms ravage the globe with unprecedented ferocity, and debris in the form of comets and asteroids threaten to end life on earth. The wealthy of the world hide in vast underground bunkers, but even they know that they cannot survive without a miracle.

It all comes down to one man—a young psychiatrist named David Ford—who may hold the power to save the world. Newly employed at the extravagant Acton Clinic, Ford encounters people who seem to understand what's happening... some may even possess an extraordinary knowledge of what's to come. One of them is the beautiful and enigmatic Caroline Light, who demands more from Ford than he could possibly give... another is cunning ex-CIA operative Mack Graham, a skilled killer with questionable loyalties...

December 21, 2012 was not the end.

The end is *The Omega Point*: where time stops.

Fall of Giants TP \$24.99 www.infinitas.com.au/Product.php?bar=9780230758940

A huge novel that follows five families through the world-shaking dramas of the First World War, the Russian Revolution, and the struggle for votes for women.

It is 1911. The Coronation Day of King George V. The Williams, a Welsh coal-mining family, is linked by romance and enmity to the Fitzherberts, aristocratic coal-mine owners. Lady Maud Fitzherbert falls in love with Walter von Ulrich, a spy at the German Embassy in London. Their destiny is entangled with that of an ambitious young aide to U.S. President Woodrow Wilson and to two orphaned Russian brothers, whose plans to emigrate to America fall foul of war, conscription and revolution.

In a plot of unfolding drama and intriguing complexity, Fall of Giants moves seamlessly from Washington to St Petersburg, from the dirt and danger of a coal mine to the glittering chandeliers of a palace, from the corridors of power to the bedrooms of the mighty.

Black Jackals TP \$32.99 www.infinitas.com.au/Product.php?bar=9780007278664

A masterly portrayal of World War Two heroism, with vivid action and stirring personal journeys.

A small team of soldiers, left behind to cover the British retreat, are ordered to blow the bridge as late as possible to stem the German tank pursuit. Although successful, the operation kills desperate refugees fleeing the scene. Who will be made to face the court-martial: the men carrying out the orders or their commanding officer?

This is only the first of many dilemmas that Peter Lamb and his troop must face during the chaotic first months of World War Two. After becoming cut off from the rest of their regiment, and assigned a mission that takes them deep into France behind the fast-moving enemy lines, the cracks begin to appear.

In these unexpected, tense circumstances, Lamb's men face internal struggles, taking their focus off both their French allies and the German enemy.

BLACK JACKALS shows how men react to the challenges of war, and gives a fresh and fascinating picture of the frontlines.

The Meowmorphosis PB \$19.95 www.infinitas.com.au/Product.php?bar=9781594745034

The phenomenal success of *Pride and Prejudice* and *Zombies* inspired a massively popular literary-remix movement. Now Quirk Classics once again charts bold new territory, turning the monster-mash-up formula inside out to infuse Franz Kafka's horrific masterpiece, "The Metamorphosis," with the fuzziest, snuggliest, most adorable creatures possible: kittens!

Gregor Samsa is a humble young man who supports his unemployed parents and teenage sister by working as a traveling fabric salesman. But his life goes strangely wrong in the very first sentence of *The Meowmorphosis*, when he wakes up late for work and discovers that he has inexplicably become an adorable kitten. His family must admit that, yes, their son is now OMG so cute—but what good is cute when there are bills to pay? How can Gregor be so selfish as to devote his attention to a ball of yarn? And how dare he jump out the bedroom window to wander through Kafka's literary landscape? Never before has a cat's tale been so poignant, strange, and horrifyingly funny.

From H.G. Wells to Isaac Asimov to Ursula K. Le Guin, time travel has long been a favorite topic and plot device in tales of science fiction and fantasy. But as any true SF fan knows, astounding stories about traversing alternate universes and swimming the tides of time demand plausible science. That's just what Paul J. Nahin's guide provides.

An engineer, physicist, and published science fiction writer, Nahin is uniquely qualified to explain the ins and outs of how to spin such complex theories as worm holes, singularity, and relativity into scientifically sound fiction. First published in 1997, this fast-paced book discusses the common and not-so-common time-travel devices science fiction writers have used over the years, assesses which would theoretically work and which would not, and provides scientific insight inventive authors can use to find their own way forward or backward in time. From hyperspace and faster-than-light travel to causal loops and the uncertainty principle and beyond, Nahin's equation-free romp across time will help writers send their characters to the past or future in an entertaining, logical, and scientific way.

If you ever wanted to set up the latest and greatest grandfather paradox -- or just wanted to know if the time-bending events in the latest pulp you read could ever happen -- then this book is for you.

Granville: A Mother's Grief PB \$24.95 www.infinitas.com.au/Product.php?bar=9781921555671

From her first breath taken weeks premature, June's life has been a constant struggle for survival.

For the first six months of her life, June was so fragile that she had to be carried around on a pillow to avoid injury. Raised by loving parents, June overcame her disadvantaged start and in turn gave birth to two beautiful girls, Cathy and Lyndy.

Tragically, disaster struck June's life on 18 January 1977, when the Granville Train Disaster devastated New South Wales. Cathy and Lyndy, 19 and 18 years old respectively, were both passengers on the train that derailed and killed 83 people.

Neither girl survived.

June's life was shattered and she was left with no one to help pick up the pieces. Battling depression and crippling despair, June struggled to patch her life back together. *Granville: A Mother's Grief* is the inspirational true story of one woman's fight to overcome her tragic past.

When California's Mojave Desert becomes the training ground for a homegrown militia group with a deadly scheme to "take back" America, Mack Bolan is sent in to unleash his own form of destruction. But first he'll have to infiltrate the unit and unravel their plot before it's too late.

With less than forty-eight hours to go, the stakes have suddenly been raised and millions of Americans are about to be caught in the cross fire of a terrorist attack. As the militia sets its plan in motion, Bolan has only one opportunity to strike back and shut them down forever. Timing will be tight, but if these right-wing extremists want a war, then the Executioner is there to oblige.

Kill Shot (Superbolan 142) PB \$17.95 www.infinitas.com.au/Product.php?bar=9780373615452

The terror begins with ruthless precision when the clock strikes noon. Gunfire rings out in major cities along the East Coast. Innocent Americans fall, each from a direct kill shot. After witnessing a hit in Baltimore, Mack Bolan dives into battle against an unknown but powerful enemy. Across the country, the coordinated strikes continue, but law enforcement is unable to stop the deadly sniper attacks.

Bolan goes hard, shouldering the burden of dismantling a plot to turn the United States into a police state. At the heart of the conspiracy, sworn enemies have joined for a unified goal: the nuclear devastation of the Middle East. As blood spills and the country heads toward martial law, Bolan sights his crosshairs on ruthless radicals and their nightmare agenda.
