The Emperor's Knife by Mazarkis Williams reviewed by Len Newland

<http://www.infinitas.com.au/Product.php?bar=9780857388018>

The cover blurb on this book is accurate. Briefly, the empire (swords and daggers, bows and arrows, a few mages) is suffering a plague like smallpox except that the marks are a complex geometric pattern. Those who get it either die or become Carriers (of what is stated late in the novel). The story questions are what is it, who's behind it, what does he hope to achieve, and how can he be stopped? At the end, it's indicated that the story of a couple of the characters will continue in later books in the series, but this book is a complete novel.

The few English bugs didn't interfere with my reading, but I did find the writing mystical and obscure. This might suit other readers, but it to me the point of view characters suddenly knew things without obvious source and developed magic abilities without obvious cause. Like many multiple POV novels, POV characters in this one die with no obvious way for the narrator to know their innermost thoughts. The term "endgame" (should be "end game", with a space) appears frequently, and is a chess term meaning the last part of the game where most pieces have been cleared from the board and the rooks are squaring off with the king; this novel is written similarly, with the characters making one move at a time to put themselves into position for the last 10% of the novel where the main interest is. I didn't develop any sympathy for either the characters or the empire; the novel could have been written from the POV of the enemy and in his favour. I'd give this novel one star out of five in my own mystical and obscure system.

The bottom line is that I thought the plot worth while, but readers may need patience to get at it. Incidentally, the title refers to both a magic dagger given by a previous emperor to his chief assassin and also to the assassin himself; while many references in the narrative are to the man, the important thing is the implement, but the story isn't about either of them.

Waylander by David Gemmell, reviewed by Tim

<http://www.infinitas.com.au/Product.php?bar=9781857236217>

Waylander is the story of a simple man with nothing to lose, as it has already been taken from him. Although a revenge story, this simple man who is no longer frightened of seeing evil done by his hand, is still capable of good and honour. Where love is the source of anger, love still remains.

This novel is a wonderfully typical example of the heroic fantasy genre. All of Gemmell's novels, and this one in particular, are about men doing mens' work; About what war can do to a good man. About the responsibility older men have to guide younger men. About the need for honour – and not just in feudal societies but with obvious parallels in our modern life.

Recommended text for boys of all ages - very enjoyable.

Legacy by Cayla Kluver, reviewed by Len Newland

<http://www.infinitas.com.au/Product.php?bar=9781921796593>

As Crown Princess of an opulent patriarchal city-state kingdom, seventeen-year-old Alera has to marry the man chosen by her father to be the next King – no choice. The trouble is she's revolted by the man. What can she do? She's handicapped by the normal problems of being seventeen, plus an education limited to how to hold parties (state functions) and choose dresses to wear to them, unlike a neighbouring matriarchal but savage empire where women are warriors. The setting is Grimm's Fairy Tale type (bows and arrows, swords and daggers). The cover blurb mentions blood magic, but it's not evident in this first volume of a three-part serial. The plain cover of my review copy doesn't say this book is incomplete; I hope the production cover will state it. In this volume, Alera merely descends into funk, presumably to come up trumps in the third volume.

I found this book very easy to read and get into despite a few English errors (mainly split infinitives). Perhaps befitting first person Alera and possibly the target readership of fourteen- to seventeen-year-old girls, the broader aspects of the setting are only broad-brushed, but I was impressed by the way author Kluver gets the reader into seeing the world from Alera's limited point of view, particularly Alera's movements through a

complex but alive Royal Palace – Kløver must have used a well detailed map of it. My main reservation is that 60% into the book, Alera takes on the appearance of an addle-brained gutless twit and stays that way, and consequently I lost interest in her and her story. I'm sure such people exist, but I'm not sure they make good story heroes. The intended readers may disagree, and if they do then they'll find an easy to read and enjoyable first instalment.

***Chief of Staff* edited by Major General David Zabecki, reviewed by Andrew Wilson**

<http://www.infinitas.com.au/Product.php?bar=9781591149903>

<http://www.infinitas.com.au/Product.php?bar=9781591149910>

Armies can only go as far as their supplies will let them. The destruction of the French Army in 1870 is a case in point. The physical and mental strain of setting tens of thousands of men in motion in a life and death struggle is a monumental task. It is the great captains, such as Patton and the Rommel, who generally get the good press. These two volumes are compilations of brief biographies of various chiefs of staff and how successful they were. What is lacking in daring is made up for in giving the reader a wider and more realistic understanding. These biographies are combined with a brief but clear sketch of the staff systems the various chiefs of staff operated. It is intriguing rather than an exciting two volumes. These biographical sketches lay a heavy emphasis on the years of active service. This is a little annoying as I would for instance have liked to know more about Hans von Seeckt when he was military adviser to Chiang Kai Shek. The commanding generals have wildly different personalities and so do the chiefs of staff. The great captains share a number of characteristics such as an ability to inspire. Similarly great chiefs of staff share some characteristics. These characteristics are vital to the functioning of an army.

You may have noticed how improbable modern science fiction is filled with a mythological hero who can just do everything. For me the all knowing, smug and thoroughly narcissistic Captain Picard is the archetype. The fact though is that to commit men to battle you have to have a level of self confidence that is well beyond average. Fiction writers often tell the “Superman myth” over and over again to resolve a problem in the plot line. It would do them well to read a book like this to ground their stories in reality. Each of the case studies in the two volumes tells the story of the events through the eyes of the staff officers. Not surprisingly this brings home that running an army, like running most organisational activities, is a team effort.

The books are also filled with fascinating incidents. For instance Rommel, the one German general to become Field Marshall without being a staff officer, at a tactical level gained great advantages by moving his staff forward. This then impacted on his administration of his supplies etc. Administratively his headquarter was poorer for it. However, much worse could have happened. On the night 23 November 1941 at Tobruk, Rommel was launching a daring attack into the British rear areas. He took his normal chief of staff Gause with him despite the warnings of the next in line, Siegfried Westphal, a relatively junior officer. The British launched a counter attack. On the night of 26/27 the British broke through. Despite repeated attempts Rommel couldn't be contacted. On his own initiative Westphal called back the German forces and specifically instructed them to ignore any order to the contrary. Of course Rommel came rushing back and threatened to have Westphal court martialled. Then Rommel looked at the situation maps and admitted Westphal had been right.

It is this “two o'clock in the morning courage” combined with super human diligence that singles out great chiefs of staff. Their stories and personalities are an interesting and little told story.

Whispers Under Ground (Folly 03) A Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780345524614

A WHOLE NEW REASON TO MIND THE GAP

It begins with a dead body at the far end of Baker Street tube station, all that remains of American exchange student James Gallagher—and the victim's wealthy, politically powerful family is understandably eager to get to the bottom of the gruesome murder. The trouble is, the bottom—if it exists at all—is deeper and more unnatural than anyone suspects . . . except, that is, for London constable and sorcerer's apprentice Peter Grant. With Inspector Nightingale, the last registered wizard in England, tied up in the hunt for the rogue magician known as "the Faceless Man," it's up to Peter to plumb the haunted depths of the oldest, largest, and—as of now—deadliest subway system in the world.

At least he won't be alone. No, the FBI has sent over a crack agent to help. She's young, ambitious, beautiful . . . and a born-again Christian apt to view any magic as the work of the devil. Oh yeah—that's going to go well.

Pure (01) Hardcover \$49.95 www.infinitas.com.au/Product.php?bar=9781455503063

We know you are here, our brothers and sisters . . .

Pressia barely remembers the Detonations or much about life during the Before. In her sleeping cabinet behind the rubble of an old barbershop where she lives with her grandfather, she thinks about what is lost-how the world went from amusement parks, movie theaters, birthday parties, fathers and mothers . . . to ash and dust, scars, permanent burns, and fused, damaged bodies. And now, at an age when everyone is required to turn themselves over to the militia to either be trained as a soldier or, if they are too damaged and weak, to be used as live targets, Pressia can no longer pretend to be small. Pressia is on the run.

Burn a Pure and Breathe the Ash . . .

There are those who escaped the apocalypse unmarked. Pures. They are tucked safely inside the Dome that protects their healthy, superior bodies. Yet Partridge, whose father is one of the most influential men in the Dome, feels isolated and lonely. Different. He thinks about loss-maybe just because his family is broken; his father is emotionally distant; his brother killed himself; and his mother never made it inside their shelter. Or maybe it's his claustrophobia: his feeling that this Dome has become a swaddling of intensely rigid order. So when a slipped phrase suggests his mother might still be alive, Partridge risks his life to leave the Dome to find her.

When Pressia meets Partridge, their worlds shatter all over again.

When wizards threaten Glorianna Belladonna and her work to keep Ephemera balanced, her brother, Lee, sacrifices himself in order to save her—and ends up an Asylum inmate in the city of Vision, far away from all he knows. At the same time, a darkness is spreading through Vision—a darkness that hides its nature from the Shamans, who tend the city and its people. Danyal, one of the Shamans, oversees the Asylum. A man whose heart is searching for its own dreams, he is intrigued by Lee's ravings about Bridges and Landscapers and wizards. With the help of Zhahar, a Handler with her own dark secrets, Lee's body and mind improve, and his words begin to make a terrible kind of sense—giving Danyal and Zhahar a glimpse of a world unlike anything they have seen. As Danyal, Lee, and Zhahar work together to uncover the danger threatening Vision, they will be forced to look both beyond and within themselves to discover who they are...and how dangerous they can be.

Ray Bradbury

Fahrenheit 451 Trade Paperback \$24.95 www.infinitas.com.au/Product.php?bar=9781451673319

Ray Bradbury's internationally acclaimed novel *Fahrenheit 451* is a masterwork of twentieth-century literature set in a bleak, dystopian future.

Guy Montag is a fireman. In his world, where television rules and literature is on the brink of extinction, firemen start fires rather than put them out. His job is to destroy the most illegal of commodities, the printed book, along with the houses in which they are hidden.

Montag never questions the destruction and ruin his actions produce, returning each day to his bland life and wife, Mildred, who spends all day with her television "family." But then he meets an eccentric young neighbor, Clarisse, who introduces him to a past where people didn't live in fear and to a present where one sees the world through the ideas in books instead of the mindless chatter of television.

When Mildred attempts suicide and Clarisse suddenly disappears, Montag begins to question everything he has ever known. He starts hiding books in his home, and when his pilfering is discovered, the fireman has to run for his life.

Nemo! Hardcover \$70 www.infinitas.com.au/Product.php?bar=9781596063976

Between 1905 and 1914, the American cartoonist Winsor McCay created a brilliant, years-ahead-of-its-time comic strip called, alternately, *Little Nemo in Slumberland* and *In the Land of Wondrous Dreams*. The serialized adventure recounted the dream journeys of a young boy (Nemo) toward the gates of Slumberland, where the Princess - his destined playmate - awaited. Over the years, this wonderfully surreal comic has exerted a considerable impact on modern popular culture. Among the readers entranced - and influenced - by this strip was another master fantasist named Ray Bradbury. *Nemo!* is an original Bradbury screenplay set in the lavishly imagined dreamscape that is Nemo's world. It is also a heartfelt act of homage to the genius of Winsor McCay. Beginning at the St. Louis World's Fair of 1904, the narrative moves through successive levels of Dream, encompassing moments of beauty, wonder, and raucous comedy while bringing a gallery of classic McCay characters - Nemo, the Princess, Dr. Pill, the sometimes villainous Flip - to vibrant new life. Intensely detailed, as colorful and absorbing as the best of Bradbury's fiction, *Nemo!* is both an unexpected gift and a unique collaboration between two of the 20th Century's most distinguished - and inimitable - creative spirits.

Arctic Rising Hardcover \$49.95 www.infinitas.com.au/Product.php?bar=9780765319210

Global warming has transformed the Earth, and it's about to get even hotter. The Arctic Ice Cap has all but melted, and the international community is racing desperately to claim the massive amounts of oil beneath the newly accessible ocean.

Enter the Gaia Corporation. Its two founders have come up with a plan to roll back global warming. Thousands of tiny mirrors floating in the air can create a giant sunshade, capable of redirecting heat and cooling the earth's surface. They plan to terraform Earth to save it from itself, but in doing so, they have created a superweapon the likes of which the world has never seen.

Anika Duncan is an airship pilot for the underfunded United Nations Polar Guard. She's intent on capturing a smuggled nuclear weapon that has made it into the Polar Circle and bringing the smugglers to justice.

Anika finds herself caught up in a plot by a cabal of military agencies and corporations who want Gaia Corporation stopped. But when Gaia Corp loses control of their superweapon, it will be Anika who has to decide the future of the world. The nuclear weapon she has risked her life to find is the only thing that can stop the floating sunshade after it falls into the wrong hands.

Alexia Tarabotti, Lady Maccon, has settled into domestic bliss. Of course, being Alexia, such bliss involves integrating werewolves into London High society, living in a vampire's second best closet, and coping with a precocious toddler who is prone to turning supernatural willy-nilly. Even Ivy Tunstell's acting troupe's latest play, disastrous to say the least, cannot put a damper on Alexia's enjoyment of her new London lifestyle.

Until, that is, she receives a summons from Alexandria that cannot be ignored. With husband, child, and Tunstells in tow, Alexia boards a steamer to cross the Mediterranean. But Egypt may hold more mysteries than even the indomitable Lady Maccon can handle. What does the vampire Queen of the Alexandria Hive really want from her? Why is the God-Breaker Plague suddenly expanding? And how has Ivy Tunstell suddenly become the most popular actress in all the British Empire?

Songs of the Earth (01) Hardcover \$49.95 www.infinitas.com.au/Product.php?bar=9780765331656

The Book of Eador, Abjurations 12:14, is very clear: Suffer ye not the life of a witch. For a thousand years, the Church Knights have obeyed that commandment, sending to the stake anyone who can hear the songs of the earth. There are no exceptions, not even for one of their own.

Novice Knight Gair can hear music no one else can, beautiful, terrible music: music with power. In the Holy City, that can mean only one thing: death by fire - until an unlikely intervention gives him a chance to flee the city and escape the flames.

With the Church Knights and their witchfinder hot on his heels, Gair hasn't time to learn how to use the power growing inside him, but if he doesn't master it, that power will tear him apart. His only hope is the secretive Guardians of the Veil, though centuries of persecution have almost destroyed their Order, and the few Guardians left have troubles of their own.

For the Veil between worlds is weakening, and behind it, the Hidden Kingdom, ever-hungry for dominion over the daylight realm, is stirring. Though he is far from ready, Gair will find himself fighting for his own life, for everyone within the Order of the Veil, and for the woman he has come to love.

The Mirror of Her Dreams (Mordant's Need 01) Trade Paperback \$29.95 www.infinitas.com.au/Product.php?bar=9780345459855

With The Chronicles of Thomas Covenant, Stephen R. Donaldson changed the face of fantasy fiction forever. In The Mirror of Her Dreams, the astonishing first novel in the two-volume Mordant's Need series, Donaldson shows us a world of wondrous beauty and seductive illusion, where mirrors hold the deadliest of magics and nothing is what it seems. . . .

The daughter of rich but neglectful parents, Terisa Morgan lives alone in a New York City apartment, a young woman who has grown to doubt her own existence. Surrounded by the flat reassurance of mirrors, she leads an unfulfilled life—until the night a strange man named Geraden comes crashing through one of her mirrors, on a quest to find a champion to save his kingdom of Mordant from a pervasive evil that threatens the land. Terisa is no champion. She wields neither magic nor power. And yet, much to her own surprise, when Geraden begs her to come back with him, she agrees.

Now, in a culture where women are little more than the playthings of powerful men, in a castle honeycombed with secret passages and clever traps, in a kingdom threatened from without and within by enemies able to appear and vanish out of thin air, Terisa must become more than the pale reflection of a person. For the way back to Earth is closed to her. And the enemies of Mordant will stop at nothing to see her dead.

The Crippled God (*Malazan Book of the Fallen 10*) Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780553813180

The Bonehunters are marching to Kolanse, and to an unknown fate. Tormented and exhausted, they are an army on the brink of mutiny. But Adjunct Tavore will not relent. If she can hold her forces together, if the fragile alliances she has forged can survive and if it is within her power, one final act remains. For Tavore Paran means to challenge the gods.

Ranged against Tavore and her allies are formidable foes. The Fokrul Assail are drawing upon a terrible power; their desire is to cleanse the world - to eradicate every civilization, to annihilate every human - in order to begin anew. The Elder Gods, too, are seeking to return. And to do so, they will shatter the chains that bind a force of utter devastation and release her from her eternal prison. It seems that, once more, there will be dragons in the world.

And in Kurald Galain, where the once-lost city of Kharkanas has been found, thousands have gathered upon the First Shore. Commanded by Yedan Derryg, they await the coming of the Tiste Liosan. Are they truly ready to die in the name of an empty city and a queen with no subjects?

In every world there comes a time when choice is no longer an option - a moment when the soul is laid bare and there is nowhere left to turn. And when this last hard truth is faced, when compassion is a virtue on its knees, what is there left to do? Now that time is come - now is the moment to proclaim your defiance and make a stand...

And so begins the final cataclysmic chapter in Steven Erikson's extraordinary, genre-defining 'Malazan Book of the Fallen'.

Casket of Souls (*Night Runners 06*) A Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780345522306

The Nightrunners are back in this gripping novel full of Lynn Flewelling's trademark action, intrigue, and richly imagined characters.

More than the dissolute noblemen they appear to be, Alec and Seregil are skillful spies, dedicated to serving queen and country. But when they stumble across evidence of a plot pitting Queen Phoria against Princess Klia, the two Nightrunners will find their loyalties torn as never before. Even at the best of times, the royal court at RhA-minee is a serpents' nest of intrigue, but with the war against Plenimar going badly, treason simmers just below the surface.

And that's not all that poses a threat: A mysterious plague is spreading through the crowded streets of the city, striking young and old alike—a plague that may well be magical in nature. Now, as panic mounts and the body count rises, hidden secrets emerge. And as Seregil and Alec are about to learn, conspiracies and plagues have one thing in common: The cure can be as deadly as the disease.

In a world deeply wounded by centuries of environmental damage, two unlikely souls join forces: Dr. Ingrid Seastrom has stumbled into a mystery involving quantum-entangled nanoscale implants - a mystery that just may kill her. Whispr is a thief and murderer whose radical body modifications have left him so thin he is all but two-dimensional. Whispr has found a silver data-storage thread, a technology that will make him wealthy beyond his wildest dreams. He is also going mad with longing for Dr. Ingrid Seastrom. Their quest to learn the secrets of the implant and the thread - which may well be the same secret - has led them to the South African Economic Combine, otherwise known as SAEC. Or, less respectfully, SICK.

SICK, it seems, has the answers.

Unfortunately, SICK has also got Napun, a cold-blooded assassin whose genetic enhancements make him the equivalent of a small army. Napun has already missed one chance to kill Ingrid and Whispr and now he has followed them to South Africa. This time, he is not only going to succeed, he is going to make them suffer.

Seth Grahame-Smith

Abraham Lincoln: Vampire Hunter A Paperback \$17.95 www.infinitas.com.au/Product.php?bar=9781455510184

Indiana, 1818. Moonlight falls through the dense woods that surround a one-room cabin, where a nine-year-old Abraham Lincoln kneels at his suffering mother's bedside. She's been stricken with something the old-timers call "Milk Sickness."

"My baby boy..." she whispers before dying.

Only later will the grieving Abe learn that his mother's fatal affliction was actually the work of a vampire.

When the truth becomes known to young Lincoln, he writes in his journal, "henceforth my life shall be one of rigorous study and devotion. I shall become a master of mind and body. And this mastery shall have but one purpose..." Gifted with his legendary height, strength, and skill with an ax, Abe sets out on a path of vengeance that will lead him all the way to the White House.

While Abraham Lincoln is widely lauded for saving a Union and freeing millions of slaves, his valiant fight against the forces of the undead has remained in the shadows for hundreds of years. That is, until Seth Grahame-Smith stumbled upon The Secret Journal of Abraham Lincoln, and became the first living person to lay eyes on it in more than 140 years.

Using the journal as his guide and writing in the grand biographical style of Doris Kearns Goodwin and David McCullough, Seth has reconstructed the true life story of our greatest president for the first time—all while revealing the hidden history behind the Civil War and uncovering the role vampires played in the birth, growth, and near-death of our nation.

As the Byzantine and German emperors plot war against each other, Venice's future rests in the hands of three unwilling individuals:

The newly knighted Sir Tycho. He defeated the Mamluk navy but he cannot make the woman he loves love him back. Tortured by secrets, afraid of the daylight, he sees no reason to save a city he hates.

The grieving Lady Giulietta. Virgin. Mother. Widow. All she wants is to retire from the poisonous world of the Venetian court to mourn her husband in peace. But her duty is to Venice: both emperors want her hand in marriage and an alliance with Europe's richest city. She must choose, knowing that whichever suitor she rejects will become Venice's bitterest enemy.

Lastly, a naked, mud-strewn girl who crawls from a paupers' grave on an island in the Venetian lagoon and begins by killing the men who buried her. Between them, they will set the course of history.

The Good, The Bad, And The Undead (Hollows 02) B Paperback \$17.99 www.infinitas.com.au/Product.php?bar=9780007459766

During the last few months, former bounty-hunter Rachel Morgan has been rather busy.

Having escaped relatively unscathed from her corrupt former employers, she's not only acquired a vampiric room-mate called Ivy, faced werewolf assassins and battled shape-shifting demons, but has also found the time to pick up a boyfriend (even if he is only human) and open her very own runner agency.

But cohabiting with a vampire, however reformed, has its dangers. Ivy's evil vampire ex-boyfriend has decided that he wants her back, and views Rachel as a tasty side-dish. To make matters worse, Rachel's demon mark is the ultimate vamp-aphrodisiac; one that works both ways.

The stakes are high, and if Rachel is to save herself and her room mate she must challenge the master vampire and confront the dark secrets she's kept hidden even from herself.

Every Which Way But Dead (Hollows 03) B Paperback \$17.99 www.infinitas.com.au/Product.php?bar=9780007459773

If you make a deal with the devil, can you still save your soul?

To avoid becoming the love-slave of a depraved criminal vampire, bounty-hunter and witch, Rachel Morgan, is cornered into a deal that could promise her an eternity of suffering.

But eternal damnation is not Rachel's only worry. Her vampire roommate, Ivy, has rediscovered her taste for blood and is struggling to keep their relationship platonic, her boyfriend, Nick, has disappeared - perhaps indefinitely, and she's being stalked by an irate pack of werewolves.

And then there's also the small matter of the turf war raging in Cincinnati's underworld; one that Rachel began and will have to navigate before she has the smallest hope of preserving her own future.

The river Irenicon was blasted through the middle of Rasenna in 1347 and now it is a permanent reminder to the feuding factions that nothing can stand in the way of the Concordian Empire. The artificial river, created overnight by Concordian engineers using the Wave, runs uphill. But the Wave is both weapon and mystery; not even the Concordians know how the river became conscious and hostile. But times are changing. Concordian engineer Captain Giovanni is ordered to bridge the Irenicon not to reunite the sundered city, but to aid Concord's mighty armies, for the engineers have their sights set firmly on world domination and Rasenna is in their way.

City of Dragons (Rain Wilds 03) Trade Paperback \$29.99 www.infinitas.com.au/Product.php?bar=9780007273829

The dragon keepers and fledgling dragons have discovered a route to the lost city of Kelsingra but there is one problem: they need to be able to fly to cross the treacherous waters and enter the fabled city. At first, only a few dragons are willing to try -- the others are either too ashamed of their deformed wings and feeble muscles or too proud to risk failure and humiliation.

But the rewards waiting at Kelsingra for those brave enough to take to the air are worth more than they could possibly imagine. This was a city built for dragons and their keepers. Alise Finbok is overwhelmed by the treasures she finds there, and spends hours carefully uncovering wonder after wonder, recording her findings for posterity. She knows the knowledge will change everything the world thought about dragons and the Elderlings. Yet rumours of the city's discovery have floated down the Rain Wild River and reached envious ears in Bingtown and beyond. Adventurers, pirates and fortune hunters are coming in droves to pillage what they can from the city. Will the dragons, only just finding their strength, and their keepers, who are changing in their own mysterious ways, be able to fend them off?

And what has happened to Tintaglia, the dragon-mother who started it all? Has she really abandoned her offspring forever? Or will she too return to seek the riches of Kelsingra.

Secrets of the Fire Sea (04) Hardcover \$49.95 www.infinitas.com.au/Product.php?bar=9780765327673

The isolated island of Jago is the only home Hannah Conquest has ever known. But her carefree existence comes to an abrupt halt when her guardian, Archbishop Alice Grey, is brutally murdered. Someone desperately wants to suppress a secret kept by the archbishop, and if the attempts on Hannah's own life are any indication, the killer believes that Alice passed the knowledge to her ward before her head was separated from her neck. Meanwhile, a deadly power struggle is brewing on Jago. And as Hannah digs deeper into the mystery Alice left behind, assisted by two rather different detectives, she must race to unravel a chain of ancient riddles in order to save not just her own life, but her island home itself!

Secrets of the Fire Sea is a rollicking tale of high adventure and derring-do set in Stephen Hunt's Victorian-style clockwork world filled with steammen and aliens, fantastical creatures and dastardly villains and some remarkable heroes that steampunk fans will cheer for.

Fated (Alex Verus 01) A Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9781937007294

Camden, North London. A tangled, mangled junction of train lines, roads and the canal. Where minor celebrities hang out with minor criminals, where tourists and moody teenagers mingle, and where you can get your ears pierced and your shoulder tattooed while eating sushi washed down with a can of super strength beer.

In the heart of Camden, where rail meets road meets leyline, you might find the Arcana Emporium, run by one Alex Verus. He won't sell you a wand or mix you a potion, but if you know what you're looking for, he might just be able to help. That's if he's not too busy avoiding his apprentice, foiling the Dark, outwitting the Light, and investigating a highly toxic Relic that has just turned up at the British Museum.

Alex Verus is part of a world hidden in plain sight, running a magic shop in London. And while Alex's own powers aren't as showy as some mages, he does have the advantage of foreseeing the possible future--allowing him to pull off operations that have a million-to-one-chance of success.

But when Alex is approached by multiple factions to crack open a relic from a long-ago mage war, he knows that whatever's inside must be beyond powerful. And thanks to his abilities, Alex can predict that by taking the job, his odds of survival are about to go from slim to none...

The Company of the Dead Trade Paperback \$24.95 www.infinitas.com.au/Product.php?bar=9780857686664

A mysterious man appears aboard the Titanic on its doomed voyage. His mission? To save the ship.

The result? A world where the United States never entered World War I, thus launching the secret history of the 20th Century.

In April 2012, Joseph Kennedy--nephew of John F. Kennedy--lives in an America occupied in the East by Greater Germany and on the West Coast by Imperial Japan. He is one of six people who can restore history to its rightful order -- even though it would mean his death, and the deaths of everyone he loves.

A magnificent alternate history, set against the backdrop of one of the the greatest maritime disasters of the 20th century.

The Amazon Legion A Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9781451638134

On the colony planet of Terra Nova, Carrera has achieved his revenge, destroying those who had destroyed his life by killing his wife and children in a terrorist strike. And, with this help of his second wife, he has thwarted an attempted coup that would have restored the rule of the oligarchy and undone his hard-won victory. But his fight is not over yet . . .

The problem of the Tauran Union's control of the Transitway between Terra Nova and Earth remains, as does the problem of the nuclear armed United Earth Peace Fleet, orbiting above the planet. The Taurans will not leave, and the Balboans--a proud people, with much recent success in war -- will not tolerate that they should remain. And yet, with one hundred times the population and three or four hundred times the wealth, the Tauran Union outclasses little Balboa in almost every way, even without the support of Old Earth. Sadly, they have that support. Everything, everyone, will have to be used to finish the job of freeing the country and, if possible, the planet. The children must fight. The old must serve, too. And the women? This is their story, the story of Balboa's Tercio Amazona, the Amazon Regiment.

Intrusion Hardcover \$49.99 www.infinitas.com.au/Product.php?bar=9781841499390

Imagine a near-future city, say London, where medical science has advanced beyond our own and a single-dose pill has been developed that, taken when pregnant, eradicates many common genetic defects from an unborn child.

Hope Morrison, mother of a hyperactive four-year-old, is expecting her second child. She refuses to take The Fix, as the pill is known. This divides her family and friends and puts her and her husband in danger of imprisonment or worse. Is her decision a private matter of individual choice, or is it tantamount to willful neglect of her unborn child?

A plausible and original novel with sinister echoes of 1984 and Brave New World.

The Game of Thrones (Song of Ice and Fire 01 Graphic Novel) Paperback \$24.95 www.infinitas.com.au/Product.php?bar=9780553593716

Here is the first volume in George R. R. Martin's magnificent cycle of novels that includes A Clash of Kings and A Storm of Swords. As a whole, this series comprises a genuine masterpiece of modern fantasy, bringing together the best the genre has to offer. Magic, mystery, intrigue, romance, and adventure fill these pages and transport us to a world unlike any we have ever experienced. Already hailed as a classic, George R. R. Martin's stunning series is destined to stand as one of the great achievements of imaginative fiction.

A GAME OF THRONES the graphic novel.

Long ago, in a time forgotten, a preternatural event threw the seasons out of balance. In a land where summers can last decades and winters a lifetime, trouble is brewing. The cold is returning, and in the frozen wastes to the north of Winterfell, sinister and supernatural forces are massing beyond the kingdom's protective Wall. At the center of the conflict lie the Starks of Winterfell, a family as harsh and unyielding as the land they were born to. Sweeping from a land of brutal cold to a distant summertime kingdom of epicurean plenty, here is a tale of lords and ladies, soldiers and sorcerers, assassins and bastards, who come together in a time of grim omens.

Here an enigmatic band of warriors bear swords of no human metal; a tribe of fierce wildlings carry men off into madness; a cruel young dragon prince barter his sister to win back his throne; and a determined woman undertakes the most treacherous of journeys. Amid plots and counterplots, tragedy and betrayal, victory and terror, the fate of the Starks, their allies, and their enemies hangs perilously in the balance, as each endeavors to win that deadliest of conflicts: the game of thrones.

Emperor Mollusk vs the Sinister Brain Hardcover \$39.95 www.infinitas.com.au/Product.php?bar=9780316093521

Emperor Mollusk.

Intergalactic Menace. Destroyer of Worlds. Conqueror of Other Worlds. Mad Genius. Ex-Warlord of Earth.

Not bad for a guy without a spine.

But what's a villain to do after he's done . . . everything. With no new ambitions, he's happy to pitch in and solve the energy crisis or repel aliens invaders should the need arise, but if he had his way, he'd prefer to be left alone to explore the boundaries of dangerous science. Just as a hobby, of course.

Retirement isn't easy though. If the boredom doesn't get him, there's always the Venusians. Or the Saturnites. Or the Mercurials. Or . . . well, you get the idea. If that wasn't bad enough, there's also the assassins of a legendary death cult and an up-and-coming megalomaniac (as brilliant as he is bodiless) who have marked Emperor for their own nefarious purposes. But Mollusk isn't about to let the Earth slip out of his own tentacles and into the less capable clutches of another. So it's time to dust off the old death ray and come out of retirement. Except this time, he's not out to rule the world. He's out to save it from the peril of THE SINISTER BRAIN!

Chasing the Moon A Paperback \$14.99 www.infinitas.com.au/Product.php?bar=9780316093569

Unspeakeable horrors inhabit the Earth in this hilarious new novel from the author of *Divine Misfortune*.

Diana's life was in a rut - she hated her job, she was perpetually single and she needed a place to live. But then the perfect apartment came along. It seemed too good to be true - because it was.

As it turns out, the apartment was already inhabited - by monsters. Vom the Hungering was the first to greet Diana and to warn her that his sole purpose in life was to eat everything in his path. This poses a problem for Diana since she's in his path...and is forbidden from ever leaving the apartment.

It turns out though that there are older and more ancient monstrous entities afoot - ones who want to devour the moon and destroy the world as we know it. Can Diana, Vom and the other horrors stop this from happening? Maybe if they can get Vom to stop eating everything...and everyone.

In the Mouth of the Whale Trade Paperback \$32.99 www.infinitas.com.au/Product.php?bar=9780575100749

A war between human and posthuman civilisations is about to erupt - and it will determine not only the future of the human species, but also its past! Fomalhaut was first colonised by the posthuman Quick, who established an archipelago of thistledown cities and edenic worldlets within the star's vast dust belt. Their peaceful, decadent civilisation was swiftly conquered by a band of ruthless, aggressive, unreconstructed humans who call themselves the True, then, a century before, the True beat back an advance party of Ghosts, a posthuman cult which colonised the nearby system of Beta Hydri after being driven from the Solar System a thousand years ago.

Now the Ghosts have returned to Fomalhaut, to begin their end game: the conquest of its single gas giant planet, a captured interstellar wanderer far older than the rest of Fomalhaut's system. At its core is a sphere of hot metallic hydrogen with strange and powerful properties based on exotic quantum physics. The Quick believe it is inhabited by an ancient alien Mind; the True believe it can be developed into a weapon and the Ghosts believe it can be transformed into a computational system so powerful it can reach into their past, collapse timelines - and fulfil the ancient prophecies of their founder.

Sky Dragons (Pern) Hardcover \$49.95 www.infinitas.com.au/Product.php?bar=9780345500915

Now, with all of Pern imperiled by the aftereffects of a plague that killed scores of dragons and left the planet helpless against the fall of deadly Thread, the only hope for the future lies in the past.

There, on an unexplored island, a group of dragonriders led by Xhinna, a brave young woman who rides the blue dragon Tazith, must battle lethal Merows and voracious tunnel-snakes to build a safe home for themselves and the dragons, whose offspring will one dayâ€if they surviveâ€replenish Pern's decimated dragon population. But as the first female rider of a blue dragon, and the first female Weyrleader in the history of Pern, Xhinna faces an uphill battle in winning the respect and loyalty of her peers . . . especially after an unforeseen tragedy leaves the struggling colony reeling from a shattering loss.

Amid the grieving, one girl, Jirana, blessedâ€or cursedâ€with the ability to foresee potential futures, will help Xhinna find a way forward. The answer lies in time . . . or, rather, in timing it: the awesome ability of the dragons to travel through time itself. But that power comes with risks, and by venturing further into the past, Xhinna may be jeopardizing the very future she has sworn to save.

Exogene (Subterrene War 02) A Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780316128155

Exogene (n.): factor or agent (as a disease-producing organism) from outside the organism or system. Also: classified Russian program to merge proto-humanoids with powered armor systems (slang).

Catherine is a soldier. Fast, strong, lethal, she is the ultimate in military technology. She's a monster in the body of an eighteen year old girl. Bred by scientists, grown in vats, indoctrinated by the government, she and her sisters will win this war, no matter the cost.

And the costs are high. Their life span is short; as they age they become unstable and they undergo a process called the spoiling. On their eighteenth birthday they are discharged. Lined up and shot like cattle.

But the truth is, Catherine and her sisters may not be strictly human, but they're not animals. They can twist their genomes and indoctrinate them to follow the principles of Faith and Death, but they can't shut off the part of them that wants more than war. Catherine may have only known death, but she dreams of life and she will get it at any cost.

Discount Armageddon (InCryptic) A Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780756407131

Ghoulies. Ghosties. Long-legged beasties. Things that go bump in the night... The Price family has spent generations studying the monsters of the world, working to protect them from humanity-and humanity from them. Enter Verity Price. Despite being trained from birth as a cryptozoologist, she'd rather dance a tango than tangle with a demon, and is spending a year in Manhattan while she pursues her career in professional ballroom dance. Sounds pretty simple, right? It would be, if it weren't for the talking mice, the telepathic mathematicians, the asbestos supermodels, and the trained monster-hunter sent by the Price family's old enemies, the Covenant of St. George. When a Price girl meets a Covenant boy, high stakes, high heels, and a lot of collateral damage are almost guaranteed. To complicate matters further, local cryptids are disappearing, strange lizard-men are appearing in the sewers, and someone's spreading rumors about a dragon sleeping underneath the city...

Transmission (Ragnarok 02) Trade Paperback \$32.99 www.infinitas.com.au/Product.php?bar=9780575085367

Return to the universe of Ragnarok - an epic space opera that pulls together ancient history, the dark events of the twentieth century and the far future. The Ragnarok universe not only provides a stunning SF rationale for Norse mythology but presents a world where pilots are locked into symbiotic relationships with their ships and the cities can come alive.

The dark matter in the universe is alive and is seeking to pervert human history to its own ends. Its influence has reached back into the dark ages, to the centre of the 3rd Reich and 600 years into the future.

Chrysanthe Trade Paperback \$24.95 www.infinitas.com.au/Product.php?bar=9780765330260

Christine, the princess and heir to the real world of Chrysanthe, is kidnapped as a small child by a powerful magician and exiled in a Made World that is a version of our present reality. In exile, supervised by her strict "uncle" (actually a wizard in disguise), she undergoes bogus memory recovery therapy, through which she is forced to remember childhood rape and abuse by her parents and others. She is terribly stunted emotionally by this terrifying plot, but at seventeen discovers it is all a lie. Christine escapes with a rescuer, Sir Quentin, a knight from Chrysanthe, in a thrilling chase across realities.

Once home, the magical standoff caused by her exile is broken, and a war begins, in spite of the best efforts of her father, the king, and his wizard, Melogian. And that war, which takes up nearly the last third of the work, is a marvel of magical invention and terror, a battle between good and evil forces that resounds with echoes of the great battles of fantasy literature.

The Scar (New Crobuzon) A Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780345460011

A mythmaker of the highest order, China Miéville has emblazoned the fantasy novel with fresh language, startling images, and stunning originality. Set in the same sprawling world of Miéville's Arthur C. Clarke Award-winning novel, *Perdido Street Station*, this latest epic introduces a whole new cast of intriguing characters and dazzling creations.

Aboard a vast seafaring vessel, a band of prisoners and slaves, their bodies remade into grotesque biological oddities, is being transported to the fledgling colony of New Crobuzon. But the journey is not theirs alone. They are joined by a handful of travelers, each with a reason for fleeing the city. Among them is Bellis Coldwine, a renowned linguist whose services as an interpreter grant her passage—and escape from horrific punishment. For she is linked to Isaac Dan der Grimnebulin, the brilliant renegade scientist who has unwittingly unleashed a nightmare upon New Crobuzon.

For Bellis, the plan is clear: live among the new frontiersmen of the colony until it is safe to return home. But when the ship is besieged by pirates on the Swollen Ocean, the senior officers are summarily executed. The surviving passengers are brought to Armada, a city constructed from the hulls of pirated ships, a floating, landless mass ruled by the bizarre duality called the Lovers. On Armada, everyone is given work, and even Remades live as equals to humans, Cactae, and Cray. Yet no one may ever leave.

Lonely and embittered in her captivity, Bellis knows that to show dissent is a death sentence. Instead, she must furtively seek information about Armada's agenda. The answer lies in the dark, amorphous shapes that float undetected miles below the waters—terrifying entities with a singular, chilling mission. . . .

China Miéville is a writer for a new era—and *The Scar* is a luminous, brilliantly imagined novel that is nothing short of spectacular.

The City (Autumn 02) Paperback \$19.99 www.infinitas.com.au/Product.php?bar=9780575091344

A disease of unimaginable ferocity has torn across the face of the planet leaving billions dead. A small group of survivors shelter in the remains of a devastated city, hiding in terror as the full effects of the horrific infection start to become clear.

The sudden appearance of a company of soldiers again threatens the survivors' fragile existence. Do they bring with them hope, help and answers, or more pain, fear and suffering

Aftermath (Autumn 05) Trade Paperback \$29.95 www.infinitas.com.au/Product.php?bar=9780312570026

It's been almost one hundred days since a killer disease wiped out 99% of the population. Three months since the dead reanimated. Survivors are few and far between now, and those who remain stick together to give themselves the best possible chance of continuing to stay alive. They are the last of the living.

A band of refugees has taken shelter in a medieval castle – a fortress that has stood strong for hundreds of years. Besieged by the dead, they only emerge when it's absolutely necessary. As autumn turns to winter, however, the balance of power slowly begins to shift.

The unexpected appearance of survivors from another group changes everything. They bring choice, and an alternative way of life which is a far cry from the world everyone has been forced to leave behind. Society as we know it has crumbled beyond repair and things will never be the same again. Some people are ready to embrace this change, others can't let go of the past. The choice is divisive.

Are we entering mankind's final days? In the aftermath of the disease, will the last survivors destroy each other, or will the dead destroy them all?

Echoes Of Betrayal (Paladin's Legacy 03) Hardcover \$39.95 www.infinitas.com.au/Product.php?bar=9780345508768

The action continues fast and furious in this third installment of Elizabeth Moon's celebrated return to the fantasy world of the paladin Paksenarrion Dorthansdotter. This award-winning author has firsthand military experience and an imagination that knows no bounds. Combine those qualities with an ability to craft flesh-and-blood characters, and the result is the kind of speculative fiction that engages both heart and mind.

All is not well in the Eight Kingdoms. In Lyonya, King Kieri is about to celebrate marriage to his beloved, the half-elf Arian. But uncanny whispers from the spirits of his ancestors continue to warn of treachery and murder. A finger of suspicion has been pointed toward his grandmother, the queen of the Ladysforest elves, and that suspicion has only intensified with time and the Lady's inexplicable behavior. Clearly, she is hiding something. But what? And why?

Meanwhile, in Tsaia, the young king Mikeli must grapple with unrest among his own nobility over his controversial decision to grant the title and estates of a traitorous magelord to a Verrakaien who not only possesses the forbidden magic but is a woman besides: Dorrin, once one of Kieri's most trusted captains. When renegade Verrakaien attack two of Dorrin's squires, suspicion and prejudice combine to place Dorrin's life at risk—and the king's claim to the throne in peril.

But even greater danger is looming. The wild offspring of a dragon are on the loose, sowing death and destruction and upsetting the ancient balance of power between dragonkind, humans, elves, and gnomes. A collision seems inevitable. Yet when it comes, it will be utterly unexpected—and all the more devastating for it.

The Forerunner Factor (Forerunner 01, 02) Trade Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9781451638080

Two Andre Norton Forerunner novels, Forerunner and Forerunner: The Second Venture, featuring young Forerunner/human hybrid Simsa, collected for the first time in one volume. A heroic young woman seeks her origins as she comes of age on worlds of peril and alien mystery.

Forerunner

On ancient port world planet Kuxortal, young Simsa grows up among garbage pickers who live upon the ancient ruins of a fallen galactic civilization - the Forerunners. But Simsa has always been different. Her skin is iridescent blue-black and she shares a telepathic bond with an alien pet, a bat-like zorsal, like no other. When Simsa's mentor dies, she must scrape a poor existence from an unyielding planet. But then Thom, a star ranger, arrives from the heavens, and he leads Simsa on a path to the discovery of her origins that takes both through danger to the ultimate revelation. The truth may lie below in the ancient high tech Forerunner ruins where Simsa was first discovered as an infant, but these cavernous mazes are far from quiet and dead - and what Simsa discovers there will change her life, and perhaps galactic civilization itself, forever.

Forerunner: The Second Venture

Simsa has escaped the criminal guilds of Kuxortal only to find herself held prisoner by starfaring humans intent on discovering the secrets of the Forerunners contained within her. With the aid of her pet zorsal, Simsa escapes her captors and crash lands on a sandy world full of danger and mystery - another world touched by ancient Forerunner civilization. Now Simsa must escape death at alien hands while battling the spirit within her that seeks to possess her very being and transform her into something utterly inhuman. But though the ancient Forerunners may have been technologically advanced beyond comprehension, they have never reckoned with the courage and gritty determination of one young woman determined to keep her freedom and write her own destiny among the stars.

Naomi Novik

Crucible of Gold (Temeraire 07) Hardcover \$49.95 www.infinitas.com.au/Product.php?bar=9780345522863

Naomi Novik's beloved series returns, with Capt. Will Laurence and his fighting dragon Temeraire once again taking to the air against the broadsides of Napoleon's forces and the friendly--and sometimes not-so-friendly--fire of British soldiers and politicians who continue to suspect them of divided loyalties, if not outright treason. For Laurence and Temeraire, put out to pasture in Australia, it seems their part in the war has come to an end just when they are needed most. Newly allied with the powerful African empire of the Tswana, the French have occupied Spain and brought revolution and bloodshed to Brazil, threatening Britain's last desperate hope to defeat Napoleon. So the British government dispatches Arthur Hammond from China to enlist Laurence and Temeraire to negotiate a peace with the angry Tswana, who have besieged the Portuguese royal family in Rio--and as bait, Hammond bears an offer to reinstate Laurence to his former rank and seniority as a captain in the Aerial Corps. Temeraire is delighted by this sudden reversal of fortune, but Laurence is by no means sanguine, knowing from experience that personal honour and duty to one's country do not always run on parallel tracks. Laurence and Temeraire--joined by the egotistical fire-breather Iskierka and the still-growing Kulingile, who has already surpassed Temeraire in size--embark for Brazil, only to meet with a string of unmitigated disasters that leave the dragons and their human friends forced to make an unexpected landing in the hostile territory of the Inca empire, where they face new unanticipated dangers. Now with the success of the mission balanced on a razor's edge, and failure looking more likely by the minute, the unexpected arrival of an old enemy will tip the scales toward ruin. Yet even in the midst of disaster, opportunity may lurk--for one bold enough to grasp it.

The Rook Trade Paperback \$29.99 www.infinitas.com.au/Product.php?bar=9780732295394

'The body you are wearing used to be mine.'

So begins the letter Myfanwy Thomas is holding when she awakes in a London park surrounded by bodies all wearing latex gloves. With no recollection of who she is, Myfanwy must follow the instructions in a series of letters her former self left behind to discover her identity and track down the agents who want to destroy her.

She soon learns that she is a Rook, a high-ranking member of an MI5ish secret organisation called the Checquy that battles the many supernatural forces at work in Britain (who knew?). She also discovers that she possesses a rare, potentially deadly supernatural ability of her own.

In her quest to uncover which member of the Checquy betrayed her and why, Myfanwy encounters such wacky folk as a person with four bodies, an aristocratic woman who can enter her dreams, a secret training facility where children with bizarre traits are transformed into Checquy operatives, and a conspiracy more vast than she ever could have imagined.

Filled with fantastical characters and over-the-top action, THE ROOK is a richly inventive, suspenseful, and often wry thriller that marks an ambitious debut from a promising young writer.

Killing Ghost Hardcover \$49.95 www.infinitas.com.au/Product.php?bar=9781587672569

James Hastings once enjoyed a lucrative but hollow career pretending to be someone else. But when his wife Stacey dies tragically behind the Los Angeles mansion she so lovingly restored, James finds himself alone, spiraling into grief, and haunted by a familiar menace that is not ready for him to move on. Salvation comes in the form of Annette Copeland, a beautiful widow who moves into the house next door. James and Annette bond quickly over the spousal losses they have suffered, but as their unconventional romance escalates, Annette begins to exhibit uncanny manners and desires that belong to Stacey. Concerned friends and former lovers who try to come between them meet with increasingly diabolical fates, and James becomes convinced Annette's cosmetic changes are only the beginning of a horrific yet alluring case of possession. Driven to isolation far outside of Los Angeles, James and his unstable companion return to the deserted gated community of Sheltering Palms, where evidence of Annette's family tragedy is waiting for him, and James's investigations unwillingly draw the attentions of two dangerous personalities: Rick Butterfield, a delusional policeman who knows Annette's history and still pines for her; and Aaron, a 10-year-old boy who wanders the desolate subdivision nightly, waiting for his parents to come home. With every attempt to atone for his failings as a husband plunging James deeper into a nightmare struggle for survival, he must finally confront the ghost of the man he used to be, the origin of his resurrected other half, and the true face of the evil that has brought them together. *Killing Ghost* is at once a descent into psychological terror, a midnight meditation of the addictive nature of love, and a novel that redefines the ghost story for a culture obsessed with dark entertainments.

Twelve years ago, Eve Dallas was just a rookie NY cop when her instincts led her to the apartment of Isaac McQueen, a man she discovered to be a sick murderer and paedophile, who was keeping young girls in cages. Now a homicide Lieutenant, Eve is one of the most distinguished officers in the city - and then she learns that McQueen has escaped from jail. Bent on revenge against Eve and with a need to punish more 'bad girls' McQueen heads to Dallas, Texas - the place where Eve was found as a child, the place where she killed her own abusive monster when she was only eight years old. With Eve and Roarke in pursuit of McQueen, everything is on the line and secrets from Eve's past are about to be shockingly revealed.

Seduction in Death (Eve Dallas 13) B Paperback \$19.99 www.infinitas.com.au/Product.php?bar=9780749957292

Lieutenant Eve Dallas is searching for a Casanova killer with a deadly appetite for seduction. Dante had been courting his victim in cyberspace for weeks before meeting her in person. A few sips of wine and a few hours later, she was dead. The murder weapon: a rare, usually undetectable date-rape drug with a street value of a quarter million dollars.

Detective Eve Dallas is playing and replaying the clues in her mind. The candlelight, the music, the rose petals strewn across the bed - a seduction meant for his benefit, not hers. He had not intended to kill her. But now that he had, he is left with only two choices: to either hole up in fear and guilt. Or start hunting again.

The Panama Laugh Paperback \$24.95 www.infinitas.com.au/Product.php?bar=9781597802901

Five years after a virus that creates laughing zombies is unleashed, Dante awakens in a jungle with no memory of that time and sets out to find a safe haven where he can stop the virus from spreading and recover his memory.

Ex-mercenary, pirate, and gun-runner Dante Bogart knows he's screwed the pooch after he hands one of his shady employers a biological weapon that made the dead rise from their graves, laugh like hyenas, and feast upon the living. Dante tried to blow the whistle via a tell-all video that went viral -- but that was before the black ops boys deep-sixed him at a secret interrogation site on the Panama-Colombia border.

When Dante wakes up in the jungle with the five intervening years missing from his memory, he knows he's got to do something about the laughing sickness that has caused a world-wide slaughter. The resulting journey leads him across the nightmare that was the Panama Canal, around Cape Horn in a hijacked nuclear warship, to San Francisco's mission district, where a crew of survivalist hackers have holed up in the pseudo-Moorish-castle turned porn-studio known as The Armory.

Can Dante find redemption and save civilization?

With the great sword Caliburn in his hand and Merlin the enchanter at his side, Arthur comes out of hiding to claim the crown he was born to wear. Merlin, Arthur's protector, sees the glories and horrors that await the new king . . . and to save him Merlin musters all his power to weave one last enchantment. He is showing signs of age and he gradually realises he is losing his powers of prophecy and clairvoyance to a younger generation. But he is able to accept this because he knows that they will be at the service of his beloved monarch whose fabled victories, marriage and the building of Camelot shine through these pages.

Prince and the Pilgrim (Merlin 04) B Paperback \$19.99 www.infinitas.com.au/Product.php?bar=9781444737561

The bestselling author of the acclaimed Merlin trilogy returns to the magical world of King Arthur and Camelot to tell a story of daring adventure, unexpected love, and unsurpassed enchantment.

The Prince: Eager, burning, and young, Alexander has come of age to take vengeance on the treacherous King March of Cornwall who murdered his father. He sets off toward Camelot to seek justice from King Arthur, only to be diverted by the beautiful and sensual Morgan le Fay, Arthur's sister. Using her wiles and her enchantments, Morgan persuades the young prince to attempt a theft of the Holy Grail. He is unaware her motives are of the darkest nature.

The Pilgrim: Motherless daughter of a royal duke, Alice has lived a life of adventure, accompanying her father on his yearly pilgrimages. Now, on her father's final visit to Jerusalem, she comes under the protection of a young prince whose brothers were murdered, a prince who is in possession of an enchanted silver cup believed to be the mysterious Holy Grail itself.

Thus the stage is set for two young seekers to meet - and to find not what they are searching for but, instead, the greatest treasure of all . . . love.

The Wicked Day (Merlin 05) B Paperback \$19.99 www.infinitas.com.au/Product.php?bar=9781444737547

From the bestselling author of the acclaimed Merlin trilogy comes this startling reappraisal of the last days of Camelot and the story of King Arthur's bastard son Mordred.

Far from being the scourge of Arthur, his bastard son Mordred actually strives to resist Merlin's prophecy of doom. But he is thwarted by the schemes of his sorceress mother, Queen Morgause, who has brought him up to be her revenge incarnate, and by misunderstandings beyond his control.

Prophecy triumphs, and the confrontation that is as fatal as it is inevitable is played out against the darkened walls of the city of Camelot.

After a brutal attack on the Manticoran home system, Honor Harrington and the Star Kingdom she serves battle back against a new, technologically powerful, and utterly nefarious enemy. And as if that weren't task enough, Honor must also face down a centuries-old old nemesis in the crumbling, but still mighty, Solarian League.

The war between the People's Republic of Haven and the Star Kingdom is finally won and peace established, but grave danger looms—for there is a plan well on its way to completion designed to enslave the entire human species. Behind that plan lies the shadowy organization known as the Mesan Alignment.

Task number one for Honor is to defend against another devastating Mesan strike—a strike that may well spell the doom of the Star Kingdom in one fell blow. It is time to shut down and secure the wormhole network that is the source of the Star Kingdom's wealth and power—but also its greatest vulnerability. Yet this is an act that the ancient and corrupt Earth-based Solarian League inevitably will take as a declaration of war.

The thunder of battle rolls as the Solarian League directs its massive power against the Star Kingdom. And once again, Honor Harrington is thrust into a desperate battle that she must win if she is to survive to take the fight to the real enemy of galactic freedom—the insidious puppetmasters of war who lurk behind the Mesan Alignment!

The Emperor's Knife Trade Paperback \$29.99 www.infinitas.com.au/Product.php?bar=9780857388018

There is a cancer at the heart of the mighty Cerani Empire: a plague that attacks young and old, rich and poor alike. Geometric patterns spread across the skin, until you die in agony, or become a Carrier, doing the bidding of an evil intelligence, the Pattern Master. Anyone showing the tell-tale marks is put to death; that is Emperor Beyon's law... But now the pattern is running over his arms. His body servants have been executed, he ignores his wives, but he is doomed, for soon the pattern will reach his face. As long-planned conspiracies boil over into open violence, the invincible Pattern Master appears from the deep desert. Now only three people stand in his way: a lost prince, a world-weary killer, and a young girl from the steppes who saw a path in a pattern once, among the waving grasses - a path that just might save them all.

Retribution Falls (Tales of the Ketty Jay 01) B Paperback \$16.99 www.infinitas.com.au/Product.php?bar=9781780620565

A fast, furious, tongue-in-cheek SF romp.

Frey is the captain of the Ketty Jay, leader of a small and highly dysfunctional band of layabouts. An inveterate womaniser and rogue, he and his gang make a living on the wrong side of the law, avoiding the heavily armed flying frigates of the Coalition Navy. With their trio of ragged fighter craft, they run contraband, rob airships and generally make a nuisance of themselves.

So a hot tip on a cargo freighter loaded with valuables seems like a great prospect for an easy heist and a fast buck. Until the heist goes wrong and the freighter explodes. Suddenly Frey isn't just a nuisance anymore - he's public enemy number one, with the Coalition Navy on his tail and contractors hired to take him down.

But Frey knows something they don't. That freighter was rigged to blow, and Frey has been framed to take the fall. If he wants to prove it, he's going to have to catch the real culprit. He must face liars and lovers, dogfights and gunfights, Dukes and daemons. It's going to take all his criminal talents to prove he's not the criminal they think he is

Chelsea Quinn Yarbro

Commedia Della Morte (Saint-Germain) Hardcover \$49.95 www.infinitas.com.au/Product.php?bar=9780765331045

Chelsea Quinn Yarbro's modern classic, *Hotel Transylvania*, introduced the Count Saint-Germain and his beloved, Madelaine de Montalia. The Count is one of the most critically acclaimed vampire characters ever created, with dedicated fans who have followed his adventures through more than twenty novels, dozens of short stories, and thousands of years of human history. But of all the women the Count has loved, the most popular is the beautiful, ever-youthful Madelaine.

In *Commedia della Morte*, Saint-Germain learns that Madelaine's now a vampire has been arrested by France's Revolutionary Tribunal and is soon to lose her head. Desperate to rescue her, the Count sneaks into France with a troupe of actors led by the glamorous Photine, who soon becomes Saint-Germain's mistress. Photine's teenage son, driven by jealousy and revolutionary fervor, betrays the Count. Now Saint-Germain's life, as well as Madelaine's, hangs in the balance, in this darkly romantic historical vampire novel.

The Return Man Trade Paperback \$24.99 www.infinitas.com.au/Product.php?bar=9781444725186

Bury the dead . . .

The outbreak tore the USA in two. The east remains a safe haven. The west has become a ravaged wilderness. They call it the Evacuated States.

It is here that Henry Marco makes his living. Hired by grieving relatives, he tracks down the dead to deliver peace.

Now Homeland Security wants Marco, for a mission unlike any other. He must return to California, where the apocalypse began. Where a secret is hidden. And where his own tragic past waits to punish him again.

But in the wastelands of America, you never know who - or what - is watching you . . .

Ted Kosmatka

The Games Hardcover \$49.95 www.infinitas.com.au/Product.php?bar=9780345526618

This stunning first novel from Nebula Award and Theodore Sturgeon Memorial Award finalist Ted Kosmatka is a riveting tale of science cut loose from ethics. Set in an amoral future where genetically engineered monstrosities fight each other to the death in an Olympic event, *The Games* envisions a harrowing world that may arrive sooner than you think.

Silas Williams is the brilliant geneticist in charge of preparing the U.S. entry into the Olympic Gladiator competition, an internationally sanctioned bloodsport with only one rule: no human DNA is permitted in the design of the entrants. Silas lives and breathes genetics; his designs have led the United States to the gold in every previous event. But the other countries are catching up. Now, desperate for an edge in the upcoming Games, Silas's boss engages an experimental supercomputer to design the genetic code for a gladiator that cannot be beaten.

The result is a highly specialized killing machine, its genome never before seen on earth. Not even Silas, with all his genius and experience, can understand the horror he had a hand in making. And no one, he fears, can anticipate the consequences of entrusting the act of creation to a computer's cold logic.

Now Silas races to understand what the computer has wrought, aided by a beautiful xenobiologist. Yet as the fast-growing gladiator demonstrates preternatural strength, speed, and - most disquietingly - intelligence, Silas and Vidonia find their scientific curiosity giving way to a most unexpected emotion: sheer terror.

Armored A Paperback \$17.95 www.infinitas.com.au/Product.php?bar=9781451638172

Armor up for a metal-pounding feast of action, adventure and amazing speculation by topnotch writers (including Nebula-award winner Jack McDevitt, Sean Williams, Dan Abnett, Simon Green, and Jack Campbell) on a future warrior that might very well be just around the corner. Science fiction readers and gamers have long been fascinated by the idea of going to battle in suits of powered combat armor or at the interior controls of giant mechs.

First, when the armor starts to take over, even the generals may be at its mercy - and under its control. Then solve the problem of armored rescue when irradiated vacuum stands between the frail flesh of the living and safety. And what happens when the marriage of soldier and armor becomes a bit too intimate - and that marriage goes sour!

It's an armor-plated clip of hard-hitting tales featuring exoskeleton adventure with fascinating takes on possible future armors ranging from the style of personal power suits seen in Starship Troopers and Halo to the servo-controlled bipedal beast-mech style encountered in Mechwarrior and Battletech.

The Alchemy of Forever (01) B Paperback \$16.99 www.infinitas.com.au/Product.php?bar=9780857076816

People say 'love never dies'... but love might be the death of Seraphina.

Seraphina has been alive since the Middle Ages, when her boyfriend, Cyrus, managed to perfect a method of alchemy that lets them swap bodies with any human being. She doesn't want to die, so she finds young people who are on the brink of death, and inhabits their bodies. When we meet Sera, she has landed in the body of a girl named Kailey who was about to die in a car accident. For the first time, Sera falls in love with the life of the person she's inhabiting. Sera also falls for the boy next door, Noah. And soon it's clear the feelings are returned. Unfortunately, she can never kiss Noah, because for her to touch lips with a human would mean the human's death. And she has even more to worry about: Cyrus is chasing her, and if she stays in one place for long, she puts herself - and the people she's grown to care for - in danger.

The Advance Team Trade Paperback \$24.95 www.infinitas.com.au/Product.php?bar=9780765327123

Will Pfeifer

From veteran graphic novel writer Will Pfeifer and stellar newcomer Germán Torres, a darkly comic science fiction thriller sure to grip readers! Zack McKinley was just another twenty-something pizza delivery boy before he discovered that his pop culture idols are actually the advance team of an alien invasion.

Now, encouraged and aided by his (probably insane) uncle, Zack must track them down, one by one, and kill them before the invasion can begin. But the advance team has no intention of letting Zack get in their way, and soon the authorities are hunting for a celebrity serial killer in a pizza delivery jacket.

As his life slips out of control, Zack finds only more questions. Why are the aliens here? What do they have to do with him? Is it too late to stop them before the Earth is conquered? And what if he has simply lost his mind?

XKCD Volume 0 Paperback \$34.95 www.infinitas.com.au/Product.php?bar=9780615314464

Randall Munroe describes xkcd as a webcomic of romance, sarcasm, math, and language. While it's practically required reading in the geek community, xkcd fans are as varied as the comic's subject matter. This book creates laughs from science jokes on one page to relationship humor on another.

xkcd: volume 0 is the first book from the immensely popular webcomic with a passionate readership (just Google "xkcd meetup").

The artist selected personal and fan favorites from his first 600 comics. It was lovingly assembled from high-resolution original scans of the comics (the mouseover text is discreetly included), and features a lot of doodles, notes, and puzzles in the margins.

The book is published by Breadpig, which donates all of the publisher profits from this book to Room to Read for promoting literacy in the developing world.

Blake's 7

B7: Liberator Chronicles 1 CD \$49.95 www.infinitas.com.au/Product.php?bar=9781844356256

Three new adventures for the crew of the Liberator.

Three decades after it ended on our TV screens, Terry Nation's groundbreaking sci-fi series is back on audio with The Liberator Chronicles, which reunites our favourite characters in their fight against the oppressive Federation.

Blake's 7 centred on Roj Blake (Gareth Thomas) and his band of freedom fighters, who escaped imprisonment on the penal world of Cygnus Alpha and stole The Liberator, the fastest, most advanced spaceship in the galaxy. On the run from the ambitious Servalan and Blake's arch-enemy Travis, the Liberator crew gradually plan to fight back and topple the evil regime.

Blake's 7: The Liberator Chronicles – Volume 1 comprises three brand new stories performed by stars from the show. One of them, Solitary, is written by award-winning playwright Nigel Fairs and performed by Michael Keating (reprising his role as the thief Vila) with Anthony Howell (Foyle's War).

A second story is performed by Gareth Thomas as Blake.

A new adventure with the Third Doctor, as told by his companion, Liz.

A damaged alien computer is being guarded by UNIT troops, but the soldiers simply vanish... Usually the Brigadier would call in the Doctor – but on this occasion the Time Lord is being kept out of the loop. Instead, it's up to Elizabeth Shaw to oversee the project to repair this alien technology, and recover the missing men. And then Liz vanishes too. Trapped inside the machine, Liz faces a battle for survival against a lethal defence system. And this time, she must save the day without the Doctor at her side... Audo CD approx 60 min

The Fourth Wall CD \$29.95 www.infinitas.com.au/Product.php?bar=9781844356058

Starring COLIN BAKER and LISA GREENWOOD with JULIAN WADHAM and YASMIN BANNERMAN

A new adventure in time and space for the Sixth Doctor and Flip.

Business is bad for intergalactic media mogul Augustus Scullop, whose Trans-Gal empire is on the rocks. But, having retreated to his own private planet, Transmission, Scullop is about to gamble his fortune on a new show, made with an entirely new technology. And the name of that show... is Laser.

Back in the real world, far from the realms of small screen sci-fi fantasies about monsters and aliens, the Doctor is interested only in watching Test Match cricket... but finds himself drawn into Scullop's world when his new travelling companion, Flip, is snatched from inside the TARDIS.

So, while the Doctor uncovers the terrible secret of Trans-Gal's new tech, Flip battles to survive in a barren wilderness ruled over by the indestructible Lord Krarn and his pig-like servants, the Warmongers. And the name of that wilderness... is 'Stevenage'.

with TIM BENTINCK and JENNY FUNNELL

A new adventure in time and space for the Sixth Doctor and Flip.

The year is 16127. Four decades have passed since the colonists of Nerva Beacon returned to repopulate the once-devastated planet Earth – and the chosen few are finding the business of survival tough.

Far beyond the sterile safety of sanitised Nerva City, transmatt scientist Roger Buchman has brought his family to an island surrounded by what they once called Loch Lomond, hoping to re-establish the colony he was forced to abandon many years before.

But something else resides in the Loch. A pestilent alien infestation that the Doctor, beaming in from Nerva City, remembers only too well from his time aboard the Beacon... The Wirrn are back. And they're hungry. CD 120 mins approx

The Renaissance Man CD \$29.95 www.infinitas.com.au/Product.php?bar=9781844356133

Starring TOM BAKER and LOUISE JAMESON with GARETH ARMSTRONG, ANTHONY HOWELL and IAN McNEICE

A new adventure in time and space for the Fourth Doctor and Leela.

To continue Leela's education, the Doctor promises to take her to the famous Morovian Museum. But the TARDIS lands instead in a quiet English village, where they meet the enigmatic collector Harcourt and his family. When people start to die, reality doesn't appear quite what it was. There's something sinister going on within the walls of Harcourt's manor, and the stakes are higher than they can imagine.

The Doctor is about to discover that a little knowledge can be a dangerous thing. 1 CD approx 60 minutes

The Wrath of the Iceni Cassette Audio \$29.95 www.infinitas.com.au/Product.php?bar=9781844356140

Starring TOM BAKER and LOUISE JAMESON with ELLA KENION and NIA ROBERTS

A new adventure in time and space for the Fourth Doctor and Leela.

Britain. The height of the Roman occupation. The Doctor has brought Leela to ancient Norfolk to learn about her ancestors... but has no idea how much of an education she is going to get.

Because this is the time of Boudica's rebellion. When the tribe of the Iceni rises up and attempts to overthrow the Roman masters.

As Leela begins to be swayed by the warrior queen's words, the Doctor has to make a decision: save his friend... or save history itself?

Dalek Project Hardcover graphic novel \$45 www.infinitas.com.au/Product.php?bar=9781846077555

Justin Richards

1917: The Great War is at its fiercest and most terrible. But things are about to get even worse... When the Doctor arrives at Hellcombe Hall in England he discovers a house full of mystery. There are locked doors and forbidden rooms, dustsheets cover guilty secrets, the maid Mary Carter is scared of the ghosts... And that's before Corporal Anderson finds that his muddy corpse-filled trench ends in the drawing room.

Armaments manufacturer Lord Hellcombe has a new secret weapon he believes will win the war. But when the Doctor witnesses the final demonstration he begins to realise how much danger everyone is in. Because Lord Hellcome claims to have invented the Dalek.

Except, of course, that nothing is quite what it seems. The Doctor and his new friends must draw on every type of early 20th century technology and every element of human ingenuity and bravery if they are to discover the truth and to survive. If they are to prevent the entire Western Front of World War One from becoming part of The Dalek Project.

This is the first in a stunning new series of epic "Graphic Novels" from BBC Books, featuring the Doctor as played by David Tennant in the hit series from BBC Television.

Greg Cox

The U.S.S. Enterprise responds to a distress call from a vital dilithium-mining colony in the Klondike system. The colony is located on Skagway, a moon orbiting Klondike-6, a gas giant not unlike Saturn. For unknown reasons, the planet's rings are coming apart, threatening the colony and its inhabitants. Kirk and his crew need to find a solution-fast. There are more than 3,000 colonists, including hundreds of families, on Skagway, which is more than even the Enterprise can take on.

Meanwhile, an approaching comet that may be the source of the crisis turns out to be a mysterious alien probe. Suspecting that the probe may have something to do with the threat to Skagway, Kirk has the probe beamed aboard the Enterprise. Suddenly after a blinding flash, Kirk suddenly finds himself floating in orbit above Saturn in our solar system, drifting in space wearing a twenty-first century NASA spacesuit. What just happened...?

There can be no surrender.

There will be no mercy.

It's not just the future of the galaxy at stake

It's the destiny of the Force.

In the stunning finale of the epic Fate of the Jedi series, Jedi and Sith face off with Coruscant as their battlefield. For the Sith, it's the chance to restore their dominance over the galaxy that forgot them for so long. For Abeloth, it's a giant step in her quest to conquer all life everywhere. For Luke Skywalker, it's a call to arms to eradicate the Sith and their monstrous new master once and for all.

In a planetwide strike, teams of Jedi Knights take the Sith infiltrators by swift and lethal surprise. But victory against the cunning and savage Abeloth, and the terrifying endgame she has planned, is anything but certain. And as Luke, Ben, Han, Leia, Jaina, Jag, and their allies close in, the devastating truth about the dark side incarnate will be exposed and send shock waves through the Jedi Order, the galaxy, and the Force itself.

Walking Dead

Rise of the Governor B Paperback \$19.99 www.infinitas.com.au/Product.php?bar=9780330541336

Jay R Bonansinga & Robert Kirkman

Written by the creator of The Walking Dead comics and based on the world of the TV series starring Andrew Lincoln

Based on The Walking Dead graphic novels/comic books and the series starring Andrew Lincoln (Teachers, This Life and Love, Actually) and written/produced by Frank Darabont whose previous credits include The Shawshank Redemption and The Green Mile, this is a new trilogy of books written by Robert Kirkman and Jay Bonansinga, author of Perfect Victim and Shattered.

Set in the world created by Robert Kirkman, this standalone trilogy is fast-paced, action-packed storytelling about the lengths some men will go to survive. With new characters, new storylines and with the same in-depth character-based plotting that has made the television series such an immediate hit, this trilogy of novels is sure to be a hit with those who love zombies and those who have loved the TV series and comic books.

Andy Chambers

For millennia, Asdrubael Vect has ruled the dark city of Commorrhagh, crushing any who dare to cross him. His reach is long and his position unassailable... or so he thinks. Yllithian, an ambitious archon with the desire to unseat the tyrant, joins forces with a twisted haemonculus in an attempt to revive a long-dead warrior and challenge the might of the overlord, both racing to achieve their goal before Vect discovers their treachery. But a cataclysm is coming, and Yllithian's actions may in fact be the cause...

Andy Chambers returns to the Black Library with the first novel in a new dark eldar trilogy, exploring the dark kin and their ominous city in unprecedented detail.

Know No Fear (Horus Heresy 19 Battle of Calth) A Paperback \$18 www.infinitas.com.au/Product.php?bar=9781849701358

Dan Abnett

Unaware of the wider Heresy and following the Warmaster's increasingly cryptic orders, Roboute Guilliman returns to Ultramar to muster his Legion for war against the orks massing in the Veridian system. Without warning, their supposed allies in the Word Bearers Legion launch a devastating invasion of Calth, scattering the Ultramarines' fleet and slaughtering all who stand in their way. This confirms the worst scenario Guilliman can imagine: Lorgar means to settle their bitter rivalry once and for all. As the traitors summon foul daemonic hosts and all the forces of Chaos, the Ultramarines are drawn into a grim and deadly struggle in which neither side can prevail.

Iron Warriors Omnibus B Paperback \$27 www.infinitas.com.au/Product.php?bar=9781849701389

Graham McNeill

Follow the schemes of the embittered Warsmith Honsou in his struggles against the hated Space Marines of the Imperium. Containing the novel *Storm of Iron* and the novella *Iron Warrior*, gathered alongside several *Iron Warrior* shorts, including two new stories.

On the nightmare battlefields of the Warhammer 40,000 universe, few foes spark more fear and dread than the Chaos Space Marines. Nurturing a hatred that is millennia-old, they attack without mercy, spreading terror and destruction in their wake. Now hell has come to Hydra Cordatus, for a massive force of terrifying Iron Warriors, brutal assault troops of Chaos, have invaded the planet and laid siege to its mighty imperial citadel. But what prize could possibly be worth so much savage bloodshed and destruction and how long can the defenders possibly hold out?

The brutal Iron Warriors lay siege to a huge imperial fortress in the classic novel *Storm of Iron*, collected alongside the full range of Iron Warriors short stories and novellas.

Legion of the Damned (Space Marines Battles) B Paperback \$20 www.infinitas.com.au/Product.php?bar=9781849701426

Rob Sanders

Following the trajectory of a blood-red comet, the berserk World Eaters blaze a path of destruction across the galaxy in its wake. The small cemetery world of Certus Minor appeals to the Space Marines of the Excoriators Chapter for protection, but the force dispatched to deal with this grim threat is far too small and their losses against the renegades are high. Just as all seems lost, salvation is borne out of legend itself as sinister spectral warriors descend upon this planet of the dead, and the enemies of the Imperium come face to face with those who have already travelled beyond the realm of the living...

Bang: The Bullet \$65 www.infinitas.com.au/Product.php?bar=8032611690211

A deluxe version of Bang, in a bullet shaped box.

This set included three of the official expansions, High Noon, Dodge City, and A Fistful of Cards, along with several extras:

A Sheriff's Badge

Three special character cards:

Uncle Will - Once during his turn, he may play any card from hand as a General Store. This card is a reference to Will Niebling, former CEO of Mayfair Games.

Johnny Kisch - Each time he puts a card into play, all other cards in play with the same name are discarded. This card is a reference to Jo Nikisch, CEO of Abacus Spiele, the German publisher of the game.

Claus "The Saint" - He draws one more card than the number of players, keeps 2 for himself, then gives 1 to each player. This card was a bonus, "unglued" card originally included in the online daVinci newsletter.

Two additional High Noon cards:

New Identity - At the beginning of their turn each player looks at the character he is using to keep track of his life points. He may switch to the new identity for the rest of the game, starting with 2 life points.

Handcuffs - After drawing his cards in phase 1, the player whose turn it is names a suit: he can only play cards of that suit during his turn.

Two blank cards - one for a character and one for a normal card.

Warhammer 40,000

Warhammer 40k - 25th Anniversary Model Figurine \$55 www.infinitas.com.au/Product.php?bar=5011921030194

To celebrate the 25th Birthday of Warhammer 40,000, GW has released this special edition miniature based on the Space Marine Captain from the front cover of the Rogue Trader rulebook. Many wargamers will remember the iconic picture of the Crimson Fist Space Marines fighting for their lives against the Orks, with bullets and explosions dominating the backdrop of the piece. This miniature represents the Captain from that piece of artwork, clad in Mark VI armour and armed with a plasma pistol and power fist (complete with severed Ork head). Remember though, this piece is only available while stocks last (and they will almost certainly not last long), so make sure you order yours now!

This pack contains one Warhammer 25 Year Anniversary Model. This model is a finely detailed resin cast miniature supplied as seven components (including a fully detailed base piece), and comes with one 25mm round base and one 60mm round base. This miniature is supplied unpainted and requires assembly.

Necron Battleforce Figurine \$170 www.infinitas.com.au/Product.php?bar=5011921029983

The Necrons are one of the most ancient races in the galaxy and fought in countless wars before humanity even existed. Yet their fate was sealed when they allied with the C'tan, an ancient race of godlike beings that stripped them of their mortal bodies, leaving them with immortal, but utterly soulless metal bodies. After millions of years asleep, these mighty warriors have now returned to the galaxy and found it in turmoil, their years of hard work destroyed or corrupted by lesser beings. They have only one mission: to re-establish the Necron Dynasties. All those who stand in their way will be destroyed.

The Necron Battleforce contains four plastic units to start the core of your army - Necron Warriors, Immortals, Canoptek Scarabs and a Ghost Ark - which you can lead into battle against the upstart races of the galaxy. It is also a fantastic way to boost the size of an existing Necron army, by giving you more squads to choose from or, alternatively, making your existing units larger.

This set contains 20 Necron Warriors; 5 Immortals (which can alternatively be built as 5 Deathmarks); 5 Canoptek Scarab Swarms, and a Ghost Ark (which can alternatively be built as a Doomsday Ark if you want a little extra firepower). These miniature are supplied unpainted and require assembly.

Space Wolves Thunderwolf Cavalry Figurine \$91 www.infinitas.com.au/Product.php?bar=5011921030033

From the Mountains of the Maelstrom come the legendary Thunderwolves, hulking beasts with jaws so strong they can chew through steel. Only the Space Wolves have the constitution to hunt down these creatures and, through ritual, they give rise to the near-mythical Thunderwolf Cavalry - a small but dauntless elite within the ranks of the Wolf Guard.

The Thunderwolf Cavalry are the perfect shock troops to smash apart your opponent's battleline. Their natural ferocity, tempered by years of battlefield experience, makes them the ideal unit to spearhead your attack, while their extensive armoury of close-combat weapons allows you to take on a variety of foes, from hordes of infantry to main-line battle tanks. They are carnage-generating machines and, with them fighting as part of your army, woe betides anyone who stands in your way.

This multi-part plastic boxed set contains 121 components with which to build three Thunderwolf Cavalry models. This set comes with a selection of weaponry, including a frost blade, a power fist, a thunder hammer and three storm shields, as well as optional extras such as grenades, holstered bolt guns and bolt pistols. There is a choice of six different heads - as well as a severed Thousand Sons head (to show a job well done). These miniatures come with three 60mm bases. This set is supplied unpainted and requires assembly.

Space Wolves Fenrisian Wolf Pack Figurine \$41 www.infinitas.com.au/Product.php?bar=5011921030040

The wolves of Fenris are amongst the most vicious predators in the known universe - they have shaggy manes, powerful shoulders and possess iron-hard teeth. It is considered a great feat for a battle-brother of the Space Wolves to hunt down a pack of these wolves armed with nothing but his wits and, should he kill the alpha male, the rest of the wolves will instinctively treat him as their new pack leader. When the battle-brother returns successful to the Fang, he does so in the company of wolves.

Fenrisian Wolves will aid your Space Wolves in numerous ways in battle. Their speed makes them a great flanking unit with which to harry your enemies and pick off small units. They can also be used as a fast moving distraction to your main battle line, leaving your opponents guessing at your next move.

Arjac Rockfist the Anvil of Fenris Figurine \$41 www.infinitas.com.au/Product.php?bar=5011921030057

Having impressed the Great Wolf with his deeds, prodigious strength and fortitude, Arjac Rockfist became Logan Grimnar's personal champion. To those who witness one of his legendary rampages, it is obvious that Arjac Rockfist's skills lie in the crucible of battle. He has earned his place in Grimnar's Wolf Guard a dozen times over, for his hammer never rests for long...

As a Wolf Guard of serious renown, Arjac Rockfist will plunge into battle wielding his ferocious, rune-etched Foehammer to devastating effect. Should your enemy stand nearby, Arjac can choose to hurl his Foehammer at them, crushing their skulls with impunity before it returns to his hand. Alternatively you can always wait until they get close enough and simply hit them with it. Such is Arjac's skill at dueling, that he is perfect for taking down your opponent's characters or monstrous creatures.

This pack contains Arjac Rockfist - a finely detailed resin cast kit that comes in three components, and is supplied with a 40mm round base. This miniature is supplied unpainted and requires assembly.

Wolf Lord on Thunderwolf Figurine \$69 www.infinitas.com.au/Product.php?bar=5011921030064

The Wolf Lords rule from the heart of the Space Wolves Chapter. They epitomise what it is to be one of the Sons of Russ and each carries the mark of greatness. Each Wolf Lord leads a Great Company comprising over a hundred of the most lethal men Fenris can breed. A Great Company thrives or dwindles as a direct consequence of its ruler's decisions, and the Wolf Lord holds his brothers' fate in his hands. It is only when he is surrounded by the raging maelstrom of battle that a Wolf Lord's true glory becomes manifest. Sprinting forward with axe in hand, he howls with the joy of battle, inspiring his men to ever-greater displays of heroism.

When a Wolf Lord rides to battle atop a mighty Thunderwolf, your enemy will quickly learn the meaning of pain. Combining the durability and ferocity of the Wolf Lord with the speed of the Thunderwolf will allow your commander to get into close-combat nice and quickly. There, you can then deliver the maximum amount of carnage to your opponents' warriors.

This boxed set contains one Wolf Lord on Thunderwolf - a finely detailed resin cast kit that comes in 15 components, and is supplied with a 60mm round base. There is even a severed Thousand Sons torso (if a severed head alone isn't enough). This miniature is supplied unpainted and requires assembly.

Tyranid Hive Tyrant/The Swarmlord Figurine \$90 www.infinitas.com.au/Product.php?bar=5011921030071

Commanders of the Tyranid swarm, Hive Tyrants are the enactors of the Hive Mind's will. Massively powerful creatures, these hulking monsters stand three times the height of a man. Every part of a Hive Tyrant's body is perfectly created to maim and kill. It is a formidable opponent at any range, as deadly with a heavy venom cannon or stranglenthorn cannon as it is with a bonesword or its own scything claws.

The Swarmlord is as old as the Tyranid race itself, the very pinnacle of the Hive Tyrant bioform. It is a monster of darkest nightmare that has preyed on empires and overseen the extinction of entire civilisations. It is a legendary destroyer of worlds and its names are legion.

As commanders go there are none quite as intimidating as a Tyranid Hive Tyrant. Their sheer physical presence is enough to make your opponents think twice about their actions, and when the bloodshed begins they will be truly at a loss as to how to deal with it. With such a large variety of weapons and upgrades at its disposal, your Hive Tyrant is the ultimate killer - a towering monster of death and destruction that will tear apart your enemies with utter impunity.

This multi-part plastic boxed set contains 59 components with which to build one Tyranid Hive Tyrant or one Swarmlord. This kit comes with a massive selection of weaponry, including a stranglenthorn cannon, a heavy venom cannon, a huge set of wings, and four boneswords should you wish to build your Hive Tyrant as the Swarmlord - the nastiest of all Tyranid Hive Commanders. It also comes with one 60mm base. This kit is supplied unpainted and requires assembly.

Tyranid Tyrannofex/Tervigon Figurine \$96 www.infinitas.com.au/Product.php?bar=5011921030088

The Tyrannofex has the armour and fortitude of a living battle fortress and its weaponry eclipses that of its foes' most powerful battle tanks in both quantity and devastating potential. Worse, its body houses several breeding chambers where it nurtures all manner of ferocious organisms that it can unleash onto any enemy foolish enough to come too close.

The Tervigon is a massive, living incubator, beneath whose lumpen carapace dozens upon dozens of Termagants slumber in a state of near-life. It can spawn its dormant broods at will, jolting their razor minds into wakefulness and assailing its foe with wave after wave of skittering Termagants.

With a gun as large and powerful as the rupture cannon, it won't be long before your opponents start to hide their battle tanks from the Tyrannofex. While your smaller creatures and combat monsters deal with the enemy up close and personal, the Tyrannofex can make short work of their vehicles from afar. Meanwhile, the Tervigon will spawn new units of Termagants (potentially 18 of the critters), which are ideal for plugging gaps in your battleline or holding objectives.

This multi-part plastic boxed set contains 76 components with which to build one Tyranid Tyrannofex or one Tervigon. This kit contains all the weapon options available to the Tyrannofex including a fleshborer hive and a rupture cannon, as well as a collection of gaunt heads to represent a spawning Tervigon. This kit contains one Large Oval base. It is supplied unpainted and requires assembly.

The Girl With the Sturgeon Tattoo B Paperback \$16.99 www.infinitas.com.au/Product.php?bar=9780312610500

A reindeer strangler has struck again; the world's leading authority on Baltic sturgeon has been filleted, and the head of Sweden's only unpublished thriller writer has been discovered some meters from his body.

Just a typical day in Stockholm's crime log? Or are the murders the works of a single killer? Chief Inspector Svenjamin Bubbles has a suspect: Lizzy Salamander, Scandinavia's most heavily tattooed girl-sociopath and hacker extraordinaire.

Mikael Blomberg believes Salamander has been framed. But if Salamander is innocent, who is the 4'10" girl ninja captured on a surveillance camera decapitating the failed novelist? And what has become of the unpublished manuscript that claimed to connect Sweden's most eco-friendly corporations to the twentieth century's greatest tyrant?

A shocking story of corruption and perversion that reaches to the highest echelons of the world's largest producer of inexpensive ready-to-assemble wooden bookcases, *The Girl with the Sturgeon Tattoo* delivers a hilarious – and gripping – parody of the bestselling novels by Stieg Larsson.

Still Riding on the Storm (*Les Norton*) Trade Paperback \$24.99 www.infinitas.com.au/Product.php?bar=9780732295042

Blackly humorous, utterly un-PC, Robert G. Barrett revels in being controversial and contrary. He's a true original and is much loved by his many thousands of readers.

This year is the 25th anniversary of the publication of the first Les Norton novel and to celebrate we are releasing the first new material from Bob in two years. First published in 1996, *RIDER ON THE STORM* was a collection of Les Norton short stories and articles by Bob on subjects as wide-ranging as acting, dating, getting the dole and being famous. It is described by Abe Books as 'one of the author's more scarce titles'.

We are now reissuing it with updated and extra new material, as *STILL RIDING ON THE STORM*. As well as a new introduction to explain the book to Bob's readers, there are two new Les Norton stories and he is also writing an article about the last few years of his life and his battle with cancer -- but in his inimitable, unselfpitying style! It's looking like Bob's finally beating the illness, and his 'cure for cancer' will surprise many ...

Hiss of Death (*Mrs Murphy Mystery*) Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780553591613

Ah, spring! The brighter days and singing birds have a way of lifting people's spirits, as well as those of their animal companions. But the season can also bring out the first blossoms of murder. As the redbuds open in Crozet, Virginia, Mary Minor "Harry" Haristeen is especially excited—until a health crisis sends her reeling into the forbidding world of hospitals and doctors, treatments and procedures. Surviving this journey will be tough, but Harry has her animal friends—and her ever-helpful husband, Fair—to support her. Others are considerably less fortunate: A promising nurse's lifeless body is discovered without a mark on her. Then another hospital employee, who had seemed in perfect health, is also found dead. There's a mystery afoot—and that's one thing Harry and her menagerie can't keep their noses out of.

Breaking Silence B Paperback \$19.99 www.infinitas.com.au/Product.php?bar=9780330471916

When Chief of Police, Kate Burkholder, is called to a farm in the Amish community of Painter's Creek, nothing could prepare her for the horror and tragedy she encounters. Solly and Rachel Slabaugh, and his brother Abel, have drowned in the hog pit leaving the four children as orphans. As the investigation progresses, it seems that the Slabaugh deaths were not an accident, and the case suddenly becomes a murder enquiry.

As the case deepens, Kate develops a bond with the children, particularly the 15-year-old daughter, Solome. Maybe she is reminded of herself at that age, and maybe there's something about this case which stirs up memories for her. The events surrounding the deaths puzzle her – something doesn't feel right. As more information comes to light, a tragic incident turns into something much more shocking.

The Sea on Fire Trade Paperback \$27.99 www.infinitas.com.au/Product.php?bar=9781447208969

A gripping literary thriller set on a diving expedition in the beautiful Red Sea which is about to go badly wrong for all involved

When they were young men, Kim and his best friend, the charismatic waterman Garland Rain, travelled all year round, working as dive guides. Now Kim is married and a father, but when Garland asks for his help on a three-week trip to the spectacular reefs of the southern Red Sea, it sounds like the perfect job. It's a chance for Kim to provide for his wife, Araba, and their three daughters, while doing what he loves most.

The two divers soon find out that their dive boat, the *Shang-Tu*, is owned by Teddy King, a gargantuan and threatening figure who lives a life of drugs and violence. While Garland seeks to contain Teddy's worst excesses, and tries to ensure that the guests are diving safely, Kim finds himself increasingly drawn to the dark side of the boat's temptations. As the partying continues, and threatens to consume Kim and overwhelm Garland, one of the other divers is lost at sea in what seems to be an accident.

Back on dry land, Kim finds that the decisions you make in the moment can come back to haunt you, even follow you home.

Brilliantly suspenseful, *The Sea on Fire* is a story about a man torn between responsibilities to his family and the freedom of the open water.

Blood and Circuses (TV Tie In) (Phryne Fisher 06) B Paperback \$22.99 www.infinitas.com.au/Product.php?bar=9781742379661

Phryne Fisher goes to the circus for her sixth adventure. Stripped of her identity and wealth, it's only Phryne's keen wit and sharp thinking that will help her now.

Astute, suave and divine, Phryne Fisher moves at flashing pace through this thrilling sixth adventure.

The Honourable Miss Phryne Fisher is feeling dull. But is she bored enough to leave her identity, her home and family behind and join Farrell's Circus and Wild Beast Show? There have been strange things happening at the circus. And when Phryne is asked by her friends Samson the Strong Man, Alan the carousel operator and Doreen the Snake Woman to help them, curiosity gets the better of her.

Peeling off her wealth and privilege, Phryne takes a job as a trick horse-rider, wearing hand-me-down clothes and a new name. Someone seems determined to see the circus fail and Phryne must find out who that might be and why they want it badly enough to resort to poison, assault and murder.

Diving into the dangerous underworld of 1920s Melbourne and the wild, eccentric life under the big top, Phryne proves her courage and ingenuity yet again, aided only by her quick intelligence, an oddly attractive clown, and a stout and helpful bear.

Murder in the Montparnasse (TV Tie In) (Phryne Fisher 12) B Paperback \$22.99

www.infinitas.com.au/Product.php?bar=9781742379630

In her twelfth adventure, the Hon. Phryne Fisher must unravel a mystery that began way back in 1918 when seven Australian soldiers unknowingly witness a murder in Paris. Ten years later and two of them are dead ... The divine Phryne Fisher returns to lead another dance of intrigue.

Seven Australian soldiers, carousing in Paris in 1918, unknowingly witness a murder and their presence has devastating consequences. Ten years later, two are dead ... under very suspicious circumstances.

Phryne's wharfie mates, Bert and Cec, appeal to her for help. They were part of this group of soldiers in 1918 and they fear for their lives and for those of the other three men. It's only as Phryne delves into the investigation that she, too, remembers being in Montparnasse on that very same day.

While Phryne is occupied with memories of Montparnasse past and the race to outpace the murderer, she finds troubles of a different kind at home. Her lover, Lin Chung, is about to be married. And the effect this is having on her own usually peaceful household is disastrous.

Queen of the Flowers (TV Tie In) (Phryne Fisher 14) B Paperback \$22.99 www.infinitas.com.au/Product.php?bar=9781742379654

The fourteenth seductive installment in the Phryne Fisher whodunnit series, see our utterly delightful eponymous heroine make a very welcome appearance as St Kilda's Queen of the Flowers. But when a body washes up on the beach, she must leave the carnival and find the killer.

With more than a dash of glamour and serious helpings of style, the witty and courageous Phryne Fisher returns.

In 1928 St Kilda's streets hang with fairy lights. Magic shows, marionettes, tea dances, tango competitions, lifesaving demonstrations, lantern shows, and picnics on the beach are all part of the Flower Parade.

And who else should be chosen to be Queen of the Flowers but the gorgeous, charming and terribly fashionable Hon Phryne Fisher? Phryne needs a new dress and a swimming costume but she also needs a lot of courage to confront her problems: a missing daughter, the return of an old lover, and a young woman found drowned at the beach at Elwood.

Murder in the Dark (TV Tie In) (Phryne Fisher 16) B Paperback \$22.99 www.infinitas.com.au/Product.php?bar=9781742379678

In her sixteenth adventure, the delectable Phryne Fisher has been invited to the Last Best party of 1928. When three of the guests are kidnapped Phryne finds she must puzzle her way through the scavenger hunt clues to retrieve the hostages.

It's Christmas, and Phryne has an invitation to the Last Best party of 1928, a four-day extravaganza being held at Werribee Manor house and grounds by the Golden Twins, Isabella and Gerald Templar. She knew them in Paris, where they caused a sensation. Phryne is in two minds about going when she starts receiving anonymous threats warning her against attending. She promptly decides to accept the invitation - after all, no one tells Phryne what to do. At the Manor, she is accommodated in the Iris room, and at the party meets two polo-playing women, a Goat lady (and goat), a large number of glamorous young men and a very rude child called Tarquin. The acolytes of the golden twins are smoking hashish and dreaming, and Phryne finds that the jazz is as hot as the drinks are cold and indulges in flirtations, dancing, and mint juleps. Heaven.

It all seems like good clean fun until three people are kidnapped, one of them the abominable child, and Phryne must puzzle her way through the cryptic clues of the scavenger hunt to retrieve the hostages and save the party from disaster.

Murder on a Midsummer Night (TV Tie In) (Phryne Fisher 17) Paperback \$22.99

www.infinitas.com.au/Product.php?bar=9781742379685

"I must say Jack, I have been in some awful company before - I have dined with torturers and Apaches and strict Plymouth Brethren and politicians - but I never met such vile company as those people. Each in his or her own way, they were frightful." Melbourne, 1929. The year starts off for glamorous private investigator Phryne Fisher with a rather trying heat wave and more mysteries than you could prod a parasol at. Simultaneously investigating the apparent suicide death of a man on St Kilda beach and trying to find a lost, illegitimate child who could be heir to a wealthy old woman's fortune, Phryne needs all her wits about her, particularly when she has to tangle with a group of thoroughly unpleasant Bright Young Things. But Phryne Fisher is a force of nature, and takes in her elegant stride what might make others quail, including terrifying seances, ghosts, Kif smokers, the threat of human sacrifices, dubious spirit guides and maps to buried pirate treasure.

Spilled Blood Trade Paperback \$24.99 www.infinitas.com.au/Product.php?bar=9780857383198

On a March night outside the river town of Barron, Minnesota, three teenage girls gather in a ghost town to play a terrifying game of Russian roulette.

For nearly a year, two communities on the river have been plagued by vandalism and violence. Young people have been bullied and beaten. Animals killed. So far, the crimes haven't spilled over into murder, but that's about to change.

By morning, one girl will be dead, and another in jail. Olivia Hawk claims she didn't pull the trigger on Ashlynn Steele, but no one believes her. For the people of Barron, this is the latest act of terrorism directed against them by the small town of St. Croix.

Olivia's best hope is her estranged father, an attorney from the city, who she barely knows any more. He'd been working hard to make a life for his family, but it turned out they wanted him at home, not in the office and his wife took his only child away. If he's going to prove Olivia's innocence, he's going to have to learn everything about her public – and private – life, however much she might like to keep hidden...

The Flight Trade Paperback \$24.99 www.infinitas.com.au/Product.php?bar=9780230754911

Coroner Jenny Cooper returns in her most explosive journey yet...

When Flight 189 plunges into the Severn Estuary, Coroner Jenny Cooper finds herself handling the case of a lone sailor whose boat appears to have been sunk by the stricken plane, and drawn into the mysterious fate of a ten year-old girl, Amy Patterson, a passenger on 189, whose largely unmarked body is washed up alongside his.

While a massive and highly secretive operation is launched to recover clues from the wreckage, Jenny begins to ask questions the official investigation doesn't want answered. How could such a high tech plane – virtually impregnable against human error – fail? What linked the high powered passengers who found themselves on this ill-fated flight? And how did Amy Patterson survive the crash, only to perish hours later?

Under pressure from Amy's grieving mother, and opposed by those at the very highest levels of government, Jenny must race against time to seek the truth behind this terrible disaster, before it can happen again...

Carnival for the Dead Trade Paperback \$29.99 www.infinitas.com.au/Product.php?bar=9780230761384

It's February, and Carnival time in Venice. Bright blue skies and freezing temperatures welcome Teresa Lupo, forensic pathologist to the Rome Questura, to the city. She is greeted off the vaporetto by an anonymous masked man dressed as The Plague Doctor. Teresa has taken time out from her job to find her beloved bohemian aunt Sofia who has mysteriously disappeared. There seem to be no clues as to her whereabouts, but a visit to Sofia's very strange apartment in the Dorsoduro confirms Teresa's suspicions that all is not well.

The puzzle deepens when a letter reveals a piece of fiction in which both Sofia and Teresa appear. Even more strange, are the links to Venetian culture which gradually begin to surface. Are the messages being sent by Sofia herself? Her abductor? Or a third party seeking to help her unravel the mystery? The revelation when it comes is as surprising and shocking as Sofia's fate. And Teresa herself comes to depend upon the unravelling of a mystery wrapped deep inside the art and culture of Venice itself.

The Mattress House Trade Paperback \$27.99 www.infinitas.com.au/Product.php?bar=9780857050298

Springtime in Furth am See: psychiatrist Raffael Horn worries about his marriage, Criminal Commissioner Kovacs is dreading a visit from his daughter; life goes on for the cast of unhinged townsfolk who peopled *The Sweetness of Life*. But when a man falls to his death from scaffolding, murder is suspected. Then a beaten child is brought in to the police, soon followed by others showing similar signs of abuse. This leads to an outbreak of hysteria in Furth, and Horn and Kovacs are put under serious pressure to find the perpetrator. But more horrifying crimes lie behind these beatings. A local businessman heading a paedophile ring has been filming the abuse of young girls from India, and one of them has been showing the films to the town's schoolchildren, beating them and threatening the same abuse if they speak about what they have seen. When the evidence is passed on to a teacher, Kovacs and Horn home in on the network.

Full of tension and unease, and tackling a sensitive issue, *The Mattress House* is another brilliantly accomplished psychological crime novel by the Austrian winner of the inaugural European Literature Prize.

Sweetness of Life B Paperback \$19.99 www.infinitas.com.au/Product.php?bar=9781847247711

It is Christmas in the alpine town of Furth am See and a six-year-old girl is playing ludo with her grandfather. The doorbell rings, and the old man goes to answer. The next time the girl sees him, he is lying with his skull broken, his face a red pulp against the white snow. From that time on, she does not speak a single word.

Raffael Horn, the psychiatrist engaged to treat the silent child, reluctantly becomes involved in solving the murder along with Detective Superintendent Ludwig Kovacs. Their parallel researches sweep through the town: a young mother who believes her new-born child is the devil; a Benedictine monk who uses his iPod to drown the voices in his head; a high-spending teenager who tortures cats. The psychological profile of this claustrophobic, winter-held town is not reassuring – which, if any, of its inhabitants was the brutal night-time slayer of the suffering girl's grandfather?

Acceptable Loss (William Monk 17) B Paperback \$19.99 www.infinitas.com.au/Product.php?bar=9780755376858

1864 - Monk and his wife Hester are doing their best to care for Scuff - a homeless boy slowly recovering from a terrifying ordeal at the hands of Jericho Phillips, the runner of a child prostitution ring. Although Scuff's evil abductor is dead, there is no suggestion that the ring has been broken and Scuff is certain that more children are suffering an even worse fate. Monk is determined to find the remaining children and uncover, once and for all, the men funding the operation. And when the body of small-time crook Mickey Parfitt washes up on Mortlake's shore, it fortuitously points him in the right direction. But as Monk's investigation continues, the reputations of respected gentlemen, including Arthur Ballinger, father-in-law of Monk's friend Oliver Rathbone, start being called into question and his task becomes fraught with unforeseen dangers. In an illicit world of blackmail, vice and corruption, Monk must follow the trail - and his conscience - wherever it leads, no matter how disturbing the truth may be.

Playing With Fire (DCI Banks) B Paperback \$18.99 www.infinitas.com.au/Product.php?bar=9780330544368

A new edition of Robinson's acclaimed novel, coinciding with a major new UK ITV adaptation.

In the early hours of a cold January morning, two narrow boats catch fire on the dead-end stretch of the Eastvale canal. When signs of accelerant are found at the scene, DCI Banks and DI Annie Cabbot are summoned. But by the time they arrive, only the smouldering wreckage is left, and human remains have been found on both boats.

The evidence points towards a deliberate attack. But who was the intended victim? Was it Tina, the sixteen-year-old who had been living a drug-fuelled existence with her boyfriend? Or was it Tom, the mysterious, lonely artist?

As Banks makes his enquiries, it appears that a number of people are acting suspiciously: the interfering "lock-keeper", Tina's cold-hearted step-father, the wily local art dealer, even Tina's boyfriend...

Then the arsonist strikes again, and Banks' powers of investigation are tested to the limit...

Fury's Goddess (Rogue Angel 35) A Paperback \$17.95 www.infinitas.com.au/Product.php?bar=9780373621552

A dark goddess. An ancient cult. And a dangerous zealot?

On the outskirts of the recently developed and prosperous city of Hyderabad, India, a new and luxurious housing complex has arisen. But several residents have been found brutally murdered. Some believe the killer is a rogue tiger. Others whisper that it is the work of the servants of Kali, the Hindu goddess of death.

Her feet are barely on Indian soil when archaeologist Annja Creed finds herself swept up in Hyderabad's modern prosperity. But something about the recent spate of killings seems unusual and Annja begins to dig deep for answers. Instead, she finds herself taken prisoner and held in a maze of ancient caves. She's being held captive by a cult of thieves who are under the thrall of a charismatic leader.

In only a few short hours, Annja is to be sacrificed?unless she can channel the vengeance of the goddess Kali herself?.

Megacatastrophes! Nine Ways the World Could End Paperback \$29.95 www.infinitas.com.au/Product.php?bar=9781851689057

Which will get us first? The asteroid hurtling towards us from outer space? Super-volcanoes covering the earth with magma and filling the skies with ash? Swiss black holes gobbling up the solar system? Or a tiny army of nanobots in a deranged feeding frenzy, nibbling the world down to an amorphous grey goo?

Stricken with plague, killed by computers, or – who knows – invaded by aliens, sooner or later mankind will have to meet its maker. So why not face up to the inevitable with top Armageddonologists David Darling and Dirk Schulze-Makuch, and join them on their hideous tour through the science behind the nine worst catastrophes that could kill us all.

The River Awakens Trade Paperback \$32.95 www.infinitas.com.au/Product.php?bar=9780593067789

In the spring of 1971, Owen Brand and his family move to the riverside town of Middlecross in a renewed attempt to escape poverty. For twelve-year-old Owen, it's the opportunity for a new life and an end to his family's isolation and he quickly falls in with a gang of three local boys and forms a strong bond with Jennifer, the rebellious daughter of a violent, alcoholic father. As summer brings release from school, two figures preside over the boys' activities: Walter Gribbs, a benign old watchman at the yacht club, and Hogdson Fisk, a vindictive farmer tormented by his past. Then the boys stumble on a body washed up on the riverbank - a discovery whose reverberations will result, as the year comes full circle, in a cataclysm that envelops them all...

Steven Erikson first novel, This River Awakens, is a lyrical, tender and disturbing portrayal of a rite of passage that is both harsh and revelatory.. Wanting B Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9781742755120

Nation Year of Reading Winner for Tasmania; New Yorker Notable Book of the Year; Library Journal Notable Book of the Year; London Observer Book of the Year; Washington Post Book of the Year Winner of the Queensland Premier's Award Winner of the WA Premier's Award Winner of the Tasmanian Book Prize

1841. In the remote penal colony of Van Diemen's Land, a barefoot aboriginal girl sits for her portrait in a red silk dress. She is Mathinna, the adopted daughter of the island's governor, Sir John Franklin, and his wife, Lady Jane, and the subject of a grand experiment in civilisation - one that will determine whether science, Christianity, and reason can be imposed in place of savagery, impulse and desire. Years pass. Sir John Franklin has disappeared, along with his crew and two ships, on an expedition to find the fabled Northwest Passage. England is horrified as reports of cannibalism filter back from search parties, no one more so than the most celebrated novelist of the day, Charles Dickens, for whom Franklin's story becomes a means to plumb the frozen depths of his own soul. As several lives become conjoined by unexpected events and tragedies, Wanting transforms into a remarkable meditation on the ways in which desire - and its denial - shape our lives.

Aldous Huxley

Grey Eminence Paperback \$12.95 www.infinitas.com.au/Product.php?bar=9780099477822

The life of Father Joseph, Cardinal Richelieu's aide, was a monstrous paradox. After spending his days directing operations on the battlefield Father Joseph would pass the night in prayer, or in composing spiritual guidance for the nuns in his care. He was an aspirant to sainthood, a practising mystic, yet his ruthless exercise of power succeeded in prolonging the Thirty Years War, with all its unspeakable horrors.

In his masterful biography, Huxley explores how a religious man could lead such a life and how an individual could reconcile the seemingly opposing moral systems of religion and politics.

The Boy Who Fell To Earth Trade Paperback \$32.95 www.infinitas.com.au/Product.php?bar=9780593060841

Meet Merlin. He's Julia's bright, beautiful son - who just happens to be autistic. Since Merlin's father, the reserved, cerebral workaholic Jeremy, left them in the lurch shortly after Merlin's diagnosis, Julia has made Merlin the centre of her world. Struggling with the joys and tribulations of raising her adorable yet challenging son, Julia doesn't have room for any other man in her life... so why bother trying to find one?

When Julia realises she's becoming increasingly cynical about life in general, she finally resolves to dip a toe back into the world of dating. Things don't go quite to plan, yet just as Julia is resolved to a life of singledom once more, the most imperfectly perfect man for her and her son lands on her doorstep. But then, so does Jeremy, begging for forgiveness and a second chance...

The Lavender Keeper Trade Paperback \$29.99 www.infinitas.com.au/Product.php?bar=9781921518416

Luc Bonet lost his family at birth and is brought up by wealthy French Jews in the foothills of the French Alps. When he is confronted with his true identity he joins the French resistance, leaving behind his family's fortune, their home overrun by soldiers, their lavender fields in tatters.

Lisette Forestier is on a mission of her own, to work her way into the heart of a senior German officer - and to infiltrate the very masterminds of the Gestapo. What Luc and Lisette hadn't counted on was meeting each other.

When they come together at the height of the Paris occupation German traitors are plotting to change the course of history. But who, if anyone, can be trusted, and will their emotions become their greatest betrayer of all?

Set against the backdrop of turbulent WWII France, this is a rollercoaster of a read that has it all - action and adventure on every page, heartbreak and horror, love and passion, battles and treachery. And accompanying Luc every step of the way is a pouch of lavender seeds, a symbol of freedom and hope, and the promise of a new life in a faraway land...if only they can make it through.

Air America B Paperback \$19.99 www.infinitas.com.au/Product.php?bar=9781908059017

The incredible inside story of the world's most extraordinary covert operation.

Air America - a secret airline run by the CIA - flew missions no one else would touch, from General Claire Cennault's legendary Flying Tigers in WW II to two brutal decades cruising over the bomb-savaged jungles of Southeast Asia.

Their pilots dared all and did all - a high-rolling, fast-playing bunch of has-beens and hellraisers whose motto was 'Anything, Anywhere, Anytime'.

Whether it was delivering food and weapons or spooks and opium, Air America was the one airline where you didn't need reservations - just a hell of a lot of courage and a willingness to fly to the bitter end.

Nicholas Shaxson

Treasure Islands Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780099541721

This is the ugliest chapter in global economic affairs since slavery - and secretive offshore tax havens are at the heart of the trouble.

Dirty money, tax havens and the offshore system describe the ugliest and most secretive chapter in the history of global economic affairs.

Billionaire Warren Buffet, currently the third wealthiest man in the world, paid the lowest rate of tax among his office staff, including his receptionist.* In 2006 the world's three biggest banana companies did nearly £400 million worth of business in Britain but paid just £128,000 in tax between them.* In January 2009, US law enforcement fined Lloyds TSB \$350 million after it admitted secretly channelling Iranian and Sudanese money into the US banking system. Tax havens are the most important single reason why poor people and poor countries stay poor. They lie at the very heart of the global economy, with over half the world trade processed through them. They have been instrumental in nearly every major economic event, in every big financial scandal, and in every financial crisis since the 1970s, including the latest global economic downturn. In *Treasure Islands*, Nicholas Shaxson shows how this happened, and what this means for you.

Erich Von Daniken**Chariots of the Gods?** Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780425074817

The author attempts to explain such perplexing archaeological discoveries as the stone figures on Easter Island and various temple and cave drawings.

H G Wells & David Lodge *Inspired by***A Man of Parts** Paperback \$19.95 www.infinitas.com.au/Product.php?bar=9780099556084

'The mind is a time machine that travels backwards in memory and forwards in prophecy, but he has done with prophecy now...'

Sequestered in his blitz-battered Regent's Park house in 1944, the ailing Herbert George Wells, 'H.G.' to his family and friends, looks back on a life crowded with incident, books, and women. Has it been a success or a failure? Once he was the most famous writer in the world, 'the man who invented tomorrow'; now he feels like yesterday's man, deserted by readers and depressed by the collapse of his utopian dreams. He recalls his unpromising start, and early struggles to acquire an education and make a living as a teacher; his rapid rise to fame as a writer with a prophetic imagination and a comic common touch which brought him into contact with most of the important literary, intellectual, and political figures of his time; his plunge into socialist politics; his belief in free love, and energetic practice of it. Arguing with himself about his conduct, he relives his relationships with two wives and many mistresses, especially the brilliant student Amber Reeves and the gifted writer Rebecca West, both of whom bore him children, with dramatic and long-lasting consequences. Unfolding this astonishing story, David Lodge depicts a man as contradictory as he was talented: a socialist who enjoyed his affluence, an acclaimed novelist who turned against the literary novel; a feminist womaniser, sensual yet incurably romantic, irresistible and exasperating by turns, but always vitally human.
